MANFRED H. E. ROHDE

Change, everything is forever changing,  
change is the Modus Operandi of the  
Universe.

There is uproar, loud and clear and the  
national groups are angry, full of fear.

Are we ready to face this time of change?  
Are we to know where are we are to go?

Where are we to find the knowledge, the  
understanding and the insight? The  
season of discontent is here; where do we  
find the answers, to this, it is here?

One Power Consciousness of God and  
good; It is mine, I love it and I care,  
I hold it with power and good cheer.

Real change is urgent now; I shall  
change, I am certain of that, but how?  
I hear the voice this is the way, walk in  
it, the voice of intuition I hear it now.

I can change myself this is my desire. Belief in two powers has brought much pain, by lack and limitation we live in pain we live in error. By Spirit man has come to know, one power consciousness is the way to go.

# Foreword

## Disclaimer

The writings of this book are not to be misinterpreted. They are not meant to change the world or the governments and its supporting organizations. The writings are not to change the financial system and the commercial establishment nor are they to change the religions of this world. These writings are based on the belief that you cannot change another; all you can do is change yourself.

## Everything Is Forever Changing

Everything is forever changing but lasting change comes slowly and painfully every now and then. Change is urgent now, as mankind is facing ever-greater social, financial and ecological problems and that on a global scale. We want to be frank; we are not talking about political, commercial or religious change? We are talking about fundamental change, a change in belief, leading to a change of consciousness.

## Where There Is Ignorance There Can Be No Real Change

The whole world is trapped in ignorance and where there is ignorance there can be no real change. Real change comes to you by means of knowledge,

understanding and insight. That indicates to us that we have to comprehend the forces at play as we are facing ever-greater problems and this on a global scale. There is a lot of goodwill among men, but there is little or no change that leads to success. What we need is a universal approach to the problems facing mankind and that requires knowledge of human nature, as well as having spiritual insight.

## People Realize They Have Been Betrayed

Are we ready to face our destiny with confidence and courage? Some people following the age-old directive of seeking answers in their limited religious understanding, only to realise that there is no real change. Religion has proved to us, by its works, that they are confused by the magnitude of the forces, which have been released. People are awakening as from a deep sleep and they realise that they have been betrayed by the very system they have elected. The time is now to change our destiny and that means changing the way we think and whatever we think about this we will also bring about.

## There Is Knowledge But Not Much Understanding

There is a lot of knowledge, everywhere, but limited understanding and little power to do. The Internet has proven to be a wonderful tool in the hands of the masses of humanity and there is a sense of freedom that is being experienced, causing people to want more, they want real and lasting structural change. The governments of this world are ill prepared for the demands, which come from the ground swell of humanity.

## *Mental Slavery, A Belief In Two Powers*

Mankind as a whole has been sold into mental slavery and they have bought into the concept of a global belief in two powers, of good and bad. In order to manage the forces of bad, the governments of the world have created an abundance of laws and regulations by means of which they desire to control every aspect of human life. This is now changing and there are many who desire to live without the increasing restrictions imposed by law. They want freedom from the limitations of this system, which has brought about limitations that no longer serve us well.

## *Institutionalized Ignorance is The Way Of Man*

As a result of all the forces of change, which are manifest in humanity, the ruling authorities are searching for a new way forward, but with little or no vision and understanding of the real powers, which are available to man. The authorities know that the best way forward is entrenching institutionalised ignorance. But fear rules the authorities, because of the roaring of the restless sea of humanity. Where are the wise men of the earth, where are the teachers of what is called knowledge? There is uncertainty everywhere and insecurity rules the hearts and minds of large sways of humanity.

With this backdrop to our discussion, we can ask ourselves, where are we to go and what can we expect to inherit in the future. Some people may ask themselves; are the problems we see all around part of the end game of human domination of earth's affairs. Is this the end of the road humanity is walking on that must lead to the proverbial Armageddon, as recorded for us in the Bible? We have made much progress in technology and the world has become, to many of us, a much smaller place in which to live and have our being. What we need now is real change; a change that will bring man closer to our real destiny.

## *A Throw Away Society*

We have created the psychology of consumerism and in the process we have become a throw away society, at least in the more affluent parts of humanity. Has this brought about a better world? Not at all, we have become less healthy and as a result of this we are suffering from many debilitating diseases and illnesses. Added to this, is the new threat of global 'Jihad', which is a religious war against all non-compliant elements of human society. Fear is indeed ruling the mind of the nations and there are not many answers that can help us solve the problems we are facing. We have created these problems by a belief in lack and limitations and by a belief in two powers of God and evil.

## *We Need Changed Consciousness*

Mental anguish and Islamic phobia is on the increase; there is the never-ending cry for peace and security but what we see is mayhem and anarchy in one place after another. Where are the visionaries of the world, where are the intelligent ones who are in the know? There is an eerie silence and some may even try to give of their own opinion in respect to destiny, trying to explain the problems we are facing, but there are few visionaries that can give of their knowledge and understanding for our benefit. What is needed is changed consciousness, because changed consciousness is changed belief and a changed belief is a very powerful thought form. Here we

do not want to create a platform to discuss the religions of the world, with their confusing doctrines and teachings of human destiny?

## We Need To Know Human Destiny

We need to know universal laws; we need to know the rule of principles and the way of human destiny, in order to formulate a new way for a better future? We need to understand truth and what it stands for and the power that is behind what we call Spirit and truth? Well, the concept of truth is indeed used and abused by many teaching organisations, and to most of us, truth means very little or nothing at all. However, to the spiritual man, truth is Spirit and Spirit is truth.

## Knowledge Transfer

This book is designed to transfer knowledge and give understanding of the things needed in order to manage the good life. This book is designed to impart wisdom and cultivate thinking ability in man, and thereby, improve our understanding of the things that must shortly take place. There are mighty forces on the move, which are at play on the world stage, as we behold the human drama unfold before our very eyes. Understanding these forces will place us in a position of power to face the coming events with faith and courage.

## *The Faith That Can Preserve Alive*

Apply yourself to the reading of this book and become wise and be prepared to do something constructive and cultivate the faith that can preserve alive its owner. This book is information transfer, at its best and you the reader are encouraged to stand up and be counted to inherit the real life, on the basis of Life Consciousness, on the basis of a belief in one power, which is the power of God and good.

We cannot continue in ignorance, because the world events that cause fear and anxiety are destined to come upon us as a snare, which is threatening our survival, indeed. We need to understand human nature and human destiny, in order to understand the forces coming upon humanity, in order to escape the peril that may embrace us all. We need peace, poise with love and goodwill, and thereby, we are able to dissolve all negative thought vibrations.

Chapter 1

Perfect  
Self Expressions

## *Introduction*

We are aware that we have a mind into which we may have fed an abundance of information over our life span, some of which may be beneficial and some of it may be harmful. Some thoughts may have been good, but, the majority of information we have taken into our mind are of little benefit or they can even be termed outright damaging and harmful. A lot of this information has been received in ignorance.

## *Two Faculties Of The Brain, The Conscious And The Subconscious*

From the beginning, man had to deal with the two faculties of the brain, which are the conscious and the sub-conscious mind. The conscious mind deals with the seen, the physical realities of life, which are observed with our five senses and that part of our mind we can call the reasoning mind. This is the reasoning faculty of mind and it is slow to respond to sudden changes. The other faculty of our mind is the sub-conscious domain and the subconscious mind springs into action when the person feels threatened and the well being of the person is perceived to be at stake. The sub-conscious mind, which cannot reason, will act fast in cases of emergencies. From its storehouse it can bring to the fore the good or the bad, it depends entirely on what we have stored in the

sub-conscious domain. The bulk of the information stored in our sub-conscious domain of our mind, which applies to the majority of the information stored, comes to us through the teachings of our parents and persons we trust. This information is received into our mind as truth and is acted upon when there is a corresponding situation that may require protective actions on the part of the owner.

### *The Subconscious Mind Will Act Upon Things Stored In The Mind, Either Good Or Bad*

We want to remember that any information stored in the sub-conscious domain is truth to its owner, because the sub-conscious mind is a very moral faculty. However, over our lifespan, both good and bad has entered the sub-conscious domain as truth. This may be so, because we may have considered the information received as being absolute and truthful as it may have come to us by persons we trust. In that case, the sub-conscious mind will act upon the good or the bad in order to protect the body from perceived harm. The things stored in our sub-conscious domain may prove to be a problem if it has not been scrutinized by the conscious mind. This problem of omission can threaten the well being of the person under consideration, this must be changed if we want to become truly happy.

## *The Power Of Evil Is A Thought Creation Of Man*

It is a good thing if we briefly consider why we keep on storing bad concepts in the sub-conscious domain of our mind. In reality, we should be like God and bring only an abundance of good into our lives, through the good thoughts, coming from a Mind trained in right thinking. This good information is stored in our sub-conscious domain. But, unfortunately, this is not the case with most of us. God is Spirit and Spirit is truth. However, this understanding is not fully supported by our mind, because, we are fallen men. Here the expression ‘fallen’ can be understood to mean fallen from an approved standing with Universal Mind, or God. From the beginning of mans existence we have learned to believe in two powers, which is God and evil, or good and bad.

The concept of evil is a thought creation of man, because with God, bad or evil cannot be present. It is due to corruption of spirit, within, the Spirit of which is from Adam, by procreation, that now operates in every man and woman. By this belief in two powers, of good and bad, we have become conscious of bad. However, bad is nothing, it has no principle, and it can always be destroyed by additional good. But by our actions, and by our thoughts, we have given power to the concept of bad, and therefore, bad is manifest everywhere in human

society. Bad is the product of our creative thoughts, as a result of mans consciousness, of bad.

## *Lack And Limitation Are Products Of Changed Consciousness*

Through the operation of the sub-conscious mind we act upon lack and limitations in life, and lack and limitations are the products of changed consciousness. This took place in the Garden of Eden, when Adam and Eve reached out and ate of the fruit of the tree of the knowledge of good and bad. Here we want to state that Adam and Eve ate of the tree of the knowledge of good and bad, but, bad is not supported by principle, it is nothing at all and it can only exist in the consciousness of fallen man. Man has given the concept of bad a home. The result of this is that we have become creatures dominated by lack and limitations, supporting a belief in two powers, the power of God and the power of evil, bringing about, the good and the bad.

## *Conscious Mind is The Watchman At The Gate Of The Subconscious Domain*

In order to manage our mental home, successfully, the conscious, or, the reasoning mind needs to become active as the protector of the sub-conscious domain. The conscious mind, thereby, becomes the Watchman at the

Gate of the sub-conscious domain. This is a very important function, which, if not properly employed to protect our mental home from erroneous ideas, it can lead to life long damages through the operation of the sub-conscious mind. Here, the affirmatives play a very important role of undoing some of the damage done. By allowing undesirable content and thought forms into the sub-conscious domain of your mind, you are establishing what you have determined to be truth to you, which enters your sub conscious mind as truth. Therefore, undesirable content may be acted upon as if it is truth. This is a very dangerous phenomenon, indeed.

This problem needs to be addressed and changed in order to live happy, successful and fulfilled lives. The sub-conscious mind is at the back of our paradigm and that paradigm must change.

## *The Subconscious Mind that Never Sleeps*

The sub-conscious mind is the seat of memory and it has the function to protect the life functions of the body, such as the heartbeat and the breathing as well as the blood circulations to mention just a few of these life-sustaining functions. In order to support these life-sustaining functions of the body, the sub-conscious can never sleep. This phenomenon has been observed by the

medical and psychological institutions, and to some extent, it has been used to manipulate large sways of humanity to do the bidding of their masters.

## *Mankind Subjected To Manipulations Of the Subconscious Mind*

The whole world of mankind has been subjected, from the time of birth, to the manipulation of the subconscious domain for the benefit of government, the military, commerce and education among others. This has resulted, to some extent, in mental disorders needing psychiatric attention, and at times, it can even lead to hospitalization. This mind manipulation takes place through institutionalized stupefaction and teachings of ignorance.

## *Mental Disorders From The Teachings of Fear and Guilt*

This has resulted, to varying degrees, in mental illnesses and social misconduct leading to suffering, which is global in scope. The religious fraternity, among others, must be held accountable to answer for many of the mental disorders coming from the teachings of fear and guilt. Today, we have been enlightened to know that the use of religious hypocrisy and indoctrination has given way to a string of wrong conduct. This would include

sexual abuse, of the young, by some members of organized religion and persons in position of power. This has resulted, in nearly all cases, in mental disturbances and mental illness, which may last a lifetime, with resultant damage even to future generations.

### *Proper Use Of Affirmatives Can Bring About A Reversal Of Damages*

Real help through the introduction and use of affirmatives can reverse this social malaise. Here, we do not want to suggest that affirmative's are the beginning and the end of all mental problems. Rather, the use of affirmatives is a very powerful teaching aid that can have a huge beneficial effect on those who suffer mental disorders, including anxiety and fears, or, who have experienced mental or other forms of distress and abuse at some time in their lives.

### *Negative Experiences Dominate Ones Life and it will harm you*

Negative experiences enter the unsuspecting mind, the sub-conscious domain of persons as truth, and from there, they brings forth depraved practices. These damaging practices affect their thought processes, to dominate them and leading to practices that harm them. This can result in physical sickness of many kinds,

including mental disorders leading to increased misery, unhappiness and despair.

## *Mental Problems A Product of Erroneous Thought Pattern*

This article will bring real change to persons who have suffered mental abuse in childhood and who live out this damage through the sub-conscious mind. The purpose of this article is to bring relief to those who are affected and who are displaying certain mental problems in life. In most cases, these mental problems are the product of erroneous thought pattern. The thinking must change, and for that reason this article has been written, to help the reader to change his thinking from negative and destructive thought forms to constructive thoughts, lifting the person to a new and elevated plane of thinking, which will bring happiness, health, wealth, prosperity and peace. However, to change consciousness would require further thought development through other articles produced by The Thought Revolution Publishers. These writings can be accessed through the ‘One Power Consciousness’ books and other motivational articles.

## *Affirmatives*

We have a daily struggle with our inner self. However, we desire to go through life in a reasonable, happy and successful way. There are many who attempt to change themselves, only to find that the power of the subconscious mind wins the day, time and again. You may even choose to go through a punishing physical exercise; however, they are not getting you to where you want to be.

## *We're Dominated By A Consciousness of Lack And Limitations*

Then there is the money making drive, which may absorb all ones time and energy, only to find that as soon as you have acquired riches, then these will pass by, in the pursuit of excessive pleasure. We find that we are dominated by a consciousness of lack and limitations and a belief in two powers, of God and evil, which brings about the good and the bad. You may ask yourself, is there a way out of this madness? Indeed, there is a way out, which may empower you to get on top of negative thoughts. These negative thought-forms have caused a lot of damage leading to more lack and limitations.

## *We Need To Become Empowered By A New Spirit*

We have to realize, that as human beings, we are first and foremost spiritual. Spirit is the force driving the human process, which is affecting our mind. We have to decide if we want to become empowered thinkers or not; and as such thinkers, we need to reach out to new levels of understanding leading to changed consciousness with happiness in view. Here we need to become empowered by a new Spirit, the spirit, which is from God, the Spirit of which was also in Jesus Christ. This Spirit is Holy Spirit, which manifested also in the life of Jesus Christ when walking the earth as a man.

### *We Need To Become A New Creation*

In order to reach out for this Spirit of Universal Mind, or of God, and become empowered to do the things pleasing in the sight of Infinite Spirit, we have to gain accurate knowledge of the deep things of God. We must cultivate strong desire for harmony with Universal Mind, or God, which drives the process forward toward obtaining the things longed for. We need to change our thinking and we need to be born of water and Spirit, to reach the ultimate success mentality. We need to become a new creation that has the Spirit from God, the Spirit of which was also in Jesus Christ, while walking the earth as a man.

*Use Of Affirmations Will Manifest In*

## *Changes In Our Lives*

To successfully change our thinking is not an easy thing to do. Some have advised the use of affirmatives, which they believe, will bring them a more manageable and successful life. But what are these affirmations? These are principles or perfect self-expressions, which we desire to make part of our inner self, and then, by repetition, we believe that these affirmations will manifest in changes in our lives. Here, we follow the principle that whatever you think about you bring about.

## *Repeating Affirmations Often Brings Change For The Better*

By repeating certain affirmative's often, you may reach out for this change to manifest in your life, which can bring happiness and success to you. Here are some often used affirmatives, and it is a good thing to repeat these affirmative's often, in morning and in the day, in the evening and during wakeful hours of the night, when sleep is not easy to come by. You can also use these affirmatives during times of travel or even when at work.

Here we find, that some of the affirmations, which are essential for our progress toward a happy and peaceful life, need to be repeated often. Affirmations are spiritual in nature, because they address the 'I am', the spiritual you, the Spirit, within. This understanding will be by the

Undeserved Kindness of God, or by the Law of Forgiveness, whereby, you are forgiven your sins on the basis of faith. You believe that you have Gods favor, on the basis of faith in the ransom sacrifice of the righteous life of Jesus Christ. You are here encouraged to read the One Power Consciousness books on a regular basis and become spiritualized in your understanding of the deep things of Universal Mind, or God. Some affirmations are listed below for reading and repetition in the morning, in the evening, at night, during your travels or at the place of work.

## *Affirmatives*

By Spirit from God, the Spirit of which was also in Jesus Christ, I am whole and I am perfect.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am strong and I am Powerful.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am full of love and I am kind.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am harmonious and I am righteous.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am joyful and I am happy.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am peaceable and I am healthy.

By Spirit from God, the Spirit of which was also in Jesus Christ, I am wealthy and I am grateful.

These are the perfect self-expressions, we so desperately need. Whatsoever we think about this we bring about is a truism, because by thought we create the product or substance of our thoughts. Therefore, let us be diligent in the application of these perfect self-expressions and see the power that can change many things. Not least, it will change the world around you, because of the use of these affirmations. Use these expressions often and retain these in the sub-conscious domain of your mind and from there you will bring about peace, poise, love and goodwill. You will bring fourth the perfect square of life, which brings about health, wealth, love and perfect self-expressions.

## *By Spirit I Am*

When you say 'I am', then you are affirming that this is what you are and what you are is what the Spirit in you indicates for you to be. The spirit in you is differentiated Spirit from God, which is giving life to every cell in your body. Your Spirit and God's Spirit are one Spirit,

because, Spirit cannot exist divided. Spirit is one with God and the only thing Spirit can do is to think and bring about an abundance of good. By your ability to think you are identified to be like God, bringing about what is desired, things being loving, good, holy and righteous.

### *Corrupted Spirit Became Subservient to The Fallen Flesh*

At the beginning, Spirit, which was differentiated Spirit from God, became corrupted by man. Spirit became subservient to the desires of the fallen flesh. The immediate result has been changed consciousness, from a consciousness of abundance of good to a consciousness of lack and limitation with fear, insecurity, sickness and finally death. The belief in two powers was born to believe in God and evil, believing in good and bad.

### *Affirmations Are Based On The New Spirit, Which Is From God*

The use of affirmations is reinforcing the belief system, which is based on the new Spirit operating in man. That Spirit is from God, the Spirit of which was also operative in Jesus Christ, our Lord. Although, we are able to recite the affirmation for our benefit and it will have a beneficial mental effect on the user, it is, nonetheless,

through the operation of Spirit, which we have received from Adam and passed on through procreation, that this is achieved. That is the actual spirit, which is operating in sinful man and as a result of this we will time and again fail in our endeavor to create harmony with God and good conditions in our lives.

## *Affirmatives Benefit Anyone, They Address The Spiritual Man Within*

Therefore, the use of these affirmations has benefits for anyone that desires to improve his or her life. These affirmations address the spiritual man, within. This is affecting all of us to this day. The spirit within man is corrupted spirit that has been corrupted, at the beginning, by willful transgression against God's arrangement. Therefore, any improvements, as a result of these affirmations could be limited, indeed. We have the need to receive the new Spirit, within, that Spirit can only be created according to Gods will and purpose. This will take place at the time of our scriptural baptism, where we have come to understand that dying in the likeness of Christ's death is key in understanding Gods purpose for man.

## *The New Man Desires Entry Into The Kingdom Of God, With Christ As*

## *King*

This new man is he that desires entry into the Kingdom of God. Jesus spoke to a member of the Jewish Sanhedrin; his name was Nicodemus and the account of which has been recorded for us in John, chapter 3. There, Christ Jesus stated, that you couldn't enter or see the kingdom of God unless you have been born of water and Spirit. You have to be born again and undergo a change of conscience, by means of which, you are able to obtain the new life, everlasting life, with peace and poise, with love and goodwill.

## *Christ Died With Reference To The Sins of the World, for All Mankind*

This takes place at the time of your baptism, where you, by faith, are being baptized into the likeness of the death of Jesus Christ. Christ died with reference to sin, the sins of the world of mankind. You in turn, also die with reference to sin, your own sins. This is on the basis of faith in the ransom sacrifice of Jesus righteous life, which he gave in your behalf, so you can put on the Spirit of God, the Spirit of which was also in Jesus Christ and gain everlasting life and righteousness with God, the Father, through Jesus Christ, our Lord.

*By Faith You Change Consciousness,*

## *You Live With Reference to The Spirit*

By this act of faith, you change consciousness and you come alive with reference to the Spirit, the Spirit of which is from God and that Spirit was also in Jesus Christ our Lord and King. Baptism opens the door to receiving the Spirit from God, which Spirit was also in Jesus Christ, causing you to become Christ like, and thereby, you become the progeny of the Christ, the offspring of the Last Adam. When Christ Jesus died for you, Christ's Spirit returned to God, who gave it. Therefore, it was Gods privilege to give this Spirit, which was in Christ Jesus, to anyone on the basis of faith in the ransom sacrifice of the righteous life of God's Only Begotten Son, Jesus Christ.

## *You Become A New Creation, Born Of Water And Spirit*

If you use the affirmations, you in fact confirm the operation of the Spirit, the Spirit of which was also in Christ Jesus our Lord, which means, you identify with the power of the Christ, manifesting in you and through you, by means of a changed consciousness. You become a new creation, born of water and Spirit, as a Son or Daughter of God.

## *Conscious Of The Christian Identity*

You become conscious of the Christian identity, within, manifesting in the new creation, which is born of water and Spirit. This is causing you to be happy and you become conscious of oneness with God, the Father, through the shed blood of Jesus Christ. It is by blood that all agreements with God are validated. You become empowered to do the things the Christ did, while in the likeness of Adams flesh, living here on this earth, walking as the Last Adam.

By repeated use of the affirmations you become conscious of a new identity, causing you to reach out to be clean and Holy before our God and Father. This causes you to be happy at all times and you become positive in all your thoughts and you become a source of inspiration and encouragement to those that listen to you.

## Harmony With God Brings Freedom Of Speech

You have now received freeness of speech, on the basis of harmony with God, the Father, and you are able to use the Word of God in a convincing way, and by this, you become identified to be no part of the world, which exists alienated from God. You can now become a tool in the hand of the Almighty, through Jesus Christ our Lord, to make known the Kingdom of God to those

asking of you a reason for your faith. By this new freedom of speech you learn to express yourself perfectly, together with health, wealth, love, which is the perfect square of life. You become happy and successful.

## *You Are The Progeny Of The Christ, The Offspring Of The Last Adam*

May the blessings of God remain upon you and empower you, to fully emulate the Christ in all your ways and this to Gods praise and glory, forever and ever. You are, by the Grace of God, moved to keep walking forward in your Christian Identity. Thereby, you can reach oneness with God, the Father, and receive His Spirit, which was also in Jesus Christ. You are to believe that you are the progeny of the Christ, and by doing this; you are fully accepted into the family of the ones that love God and neighbor. You have the Spirit from Universal Mind, or God, which Spirit was also in Jesus Christ. You shall have all things asked for and this at the time of asking and it will manifest.

## *Undesirable Thoughts Are Driven Deep Into The Subconscious Domain*

By the repeated use of the affirmations, you force undesirable sub-conscious thoughts into the background of the sub-conscious domain. These undesirable thought

forms are driven deep into the sub-conscious domain where they are no longer readily accessible to cause disturbance and hurt to you. You have been set free and you are a new creation, with a consciousness of super abundance of all that is good and beneficial. You have received of the Undeserved Kindness of God and you are perpetually made clean and acceptable to God.

## *You Are To Receive The White Outer Garments Of Righteousness*

May you be blessed in your endeavor to do the things pleasing in Gods sight and receive from Him the white outer garments of righteousness, which is identifying you as a survivor of the coming cataclysmic events of the great tribulation and the day of judgment, of the nations, by means of God and Jesus Christ, our King, high priest and leader.

## *Affirmations - Wise Expressions*

The Law of Karma is the Carnal Law; you reap what you sow and cause and effect, the Law of Consequences.

The Law of Undeserved Kindness is the Law of Grace, the Law of Forgiveness and these are the laws, which free man from the law of cause and effect - the law of consequences, and from the Carnal Law.

I cast this burden of lack and limitations upon the Christ, within, and I go free to have plenty.

I cast this burden of lack of self-control upon the Christ, within, and shall go free to have plenty of power.

By Spirit from God, which Spirit was also in Jesus Christ, I am loving, joyful, peaceful, mild, kind, good, faithful, long suffering and I have self control, which are the fruits of the Spirit.

Casting the burden enables one to see in the dark.

Children are always making believe, and unless you be converted, and become as little children, you shall not enter the Kingdom of God.

There is no peace or happiness for man, until he has erased all fear from his sub-conscious mind.

How can I get rid of fear? By love, by walking up to the thing you are afraid of.

In the twinkling of an eye, man's release will come when he realizes there is no power in evil.

No man is your enemy, no man is your friend; every man is your teacher.

Follow the path of love, and all things are added, for God is love, and God is supply.

The one that loves is born of God, because God is love.

Perfect love throws fear outside. He that fears is not made perfect in love.

Love is the fulfillment of the law.

I am always under direct inspiration; I make right decisions quickly.

It is easier to have fear than faith; so, faith is an effort of the will.

Man is here to prove God true and to bear witness to the truth, and he can only prove God true by bringing abundance out of lack, and justice out of injustice.

Infinite Spirit, open the way for the Divine Design of my life to manifest; let the genius within me now be released; let me see clearly the perfect plan.

I am non resistant, I have an abundance of peace and poise with love and goodwill and by this I dissolve all negative thought vibrations. I am willing to be led.

The perfect plan, which gives perfect happiness, is the perfect square of life, which brings to you health, wealth, love and perfect self-expressions.

I am fully equipped for the Divine Plan of my life, be fearless in grasping opportunities.

You can expect any seemingly impossible good from God, if you do not limit the channel.

I cannot be separated from God, the Giver; therefore, I cannot be separated from God, the Gift. The gift is God in action.

I see God in every face and good in every situation. This makes me master of all conditions.

I expect the unexpected; my glorious good now comes to pass.

Flee from the things, which flee from you, seek nothing fortune is seeking you.

Behold his shadow on the floor! Behold him standing at the door.

You are completely demagnetized when you desire something too intensely. Do not let your hearts desire become a hearts disease.

Now is the appointed time. Today is the day of my amazing good fortune.

Choose you this day, which you will serve fear or faith? In every act prompted by fear lies the germ of its own defeat.

God makes a way where there is no way.

I am divinely led; I follow the right fork in the road. God makes a way where there is no way.

My supply comes from God, and big happy financial surprises now come to me, under undeserved kindness, in perfect ways.

The waters of my Red Sea part, and I pass over on dry land, I now go forward into my Promised Land.

The ground I am standing on is holy ground. I now expand rapidly into the divine plan of my life, where all conditions are permanently perfect.

The inspiration from the Almighty shall be my defense and I shall have plenty of silver.

Let me now express the Divine Idea in my mind, body and affairs.

Out of the imaginations of the heart come the issues of life. My ways are ways of pleasantness.

The goal is the Divine plan of your life where all conditions are permanently perfect. In all your ways acknowledge Him and He will make your path straight.

Intuition flies out of the window when reason comes to the door. Intuition is a spiritual faculty, the super conscious, and never explains itself. Do not reason yourself out of Gods favor.

Your part is being a good receiver; prepare for your blessing, rejoice and give thanks and it will come to pass.

I have weapons you know not of; I have ways which will

astound you.

There is a way out - Reveal to me the way.

There is no separation in Divine Mind; therefore, I cannot be separated from the love and companionship, which is mine by divine right.

I now thank God the Giver for God the Gift.

Man's highest demand is for the Divine Design of my life.

The perfect square of life, which brings perfect happiness, is health, wealth, love and perfect self-expressions.

Let the God in this child have perfect expression; let the Divine Design of his mind, body and affairs be made manifest throughout his life, throughout eternity.

I am one with Infinite Intelligence. I know everything I should know, on this subject of learning.

I desire only that which God desires for me.

Know the Truth, which makes you free - free to bring into manifestation the Divine Design of your life with Health, Wealth, Love and Perfect Self-Expression; the

perfect square of life.

Spirit from God, the Spirit of which was also in Jesus Christ is truth. Everything else is forever changing.

Only that which is true of God is true for me, for the Father and I are one.

As I am one with God, I am one with my good, for God is both the Giver and the Gift. I cannot separate the giver from the Gift.

By spirit from God, which spirit was also in Christ Jesus, Divine love floods my consciousness with health, and every cell in my body is filled with light.

My eyes are God's eyes, I see with the eyes of spirit. I see clearly the open way; there are no obstacles on my pathway. I see clearly the perfect plan. The divine design of my life, which is health, wealth, love and perfect self-expressions, the perfect square of life.

I am divinely sensitive to my intuitive leads, and I give instant obedience to Thy Will.

My ears are Gods ears, I hear with the ears of Spirit. I am non resistant and I am willing to be led. I bear glad tidings of great joy.

I cast this burden of lack and limitation on the Christ within, and I go free to have abundance of good.

I look with wonder at that, which is set before me.

I have a wonderful business in a wonderful way, and I give wonderful service for wonderful pay.

Active faith is the bridge, over which man passes to his Promised Land.

Infinite Spirit, give me a definite lead, reveal to me my perfect self expression, show me which talent I am to make use of now.

I am fully equipped for the Divine plan of my life; be fearless in grasping opportunities.

Infinite Spirit, open the way for great abundance for I am an irresistible magnet for all that belongs to me by divine right.

Goodwill produces a great aura of protection about the one who sends it, and "no weapons that thus are formed against him shall prosper".

Love and goodwill destroy the enemies, within one's self, therefore, one has no enemies on the external.

There is peace on earth for him who sends good-will to man.

Every man is a golden link in the chain of my good. For man is God in manifestation, awaiting the opportunity given by man himself, to serve the divine plan of his life.

I am now immune to all hurt and resentment: my poise is built upon a rock, the Christ, within.

Whereas, I was blind, now I can see.

I only desire that which Infinite Intelligence desires through me. I claim that, which is mine by Divine right, and I receive it under Grace in a perfect way.

## Chapter 2

# Change

## Conscious Mind

What is changed consciousness that we should pay attention to it? What benefit will come to us if we change consciousness, from a consciousness of lack and limitation, to a consciousness of abundance of all that is good? Consciousness is mind in action. Now, we have come to understand that in respect of consciousness, there is one mind, which has two phases, within. There is the conscious mind, which we can call to objective mind and there is subconscious mind, which we have identified as the subjective part of mind.

## Subconscious Mind

The conscious mind is the objective part of the mind and it deals with all events, which are being absorbed through our five senses. It is the reasoning part of mind. The subconscious mind deals with the subjective part of mind, which has the function of guarding the body functions and allowing the vital functions of life to continue operating without our being aware of its operation. In addition, the subconscious mind is also the seat of memory, and, it never sleeps, the same as the heart never sleeps. Therefore, the subconscious mind is taking care of the vital operations of the body and its protective life functions. It is the storehouse of memory.

## Protecting the Subconscious Mind

When we listen to a certain teachings and we accept this teaching or it's subjects as truth, then, the subconscious will store this information and will act upon it at any given time, when it will be necessary to protect the body from harm. So, we can say that the conscious mind is the watchman of the subconscious domain of mind. When this watchman sleeps then the subconscious mind can be subject to all kinds of teachings and it will accept these as truth and stores this in the mind.

## Accepted Teachings of Error Enters Into the Subconscious As Truth

Here we comprehend, that wrong teachings, which have been received and accepted by the conscious mind as truth, will enter the subconscious domain and it will act on it whenever necessary. This is so, because anything received by the subconscious mind is acted upon as truth. Now, the subconscious mind cannot reason on a subject, this is left to the conscious mind to do. The conscious mind has the power to reason and to accept or to reject any thoughts even those thoughts, which are not in compliance with universal principles. The thoughts, which have been accepted by the conscious mind as truth, these thoughts are stored in the subconscious

domain to be acted upon at any given time. This highlights the importance of protecting the subconscious mind from erroneous conceptions and teachings. This would require the conscious mind to be well trained to discern right from wrong.

## *By Strong Desire Subconscious Mind Accepts Error As Truth*

This failure, to protect the subconscious mind from wrong perceptions, concepts and teachings was the case in point in the Garden of Eden, where Eve subjected the subconscious mind to error. There, in the Garden of Eden, the subconscious mind of man accepted, by the process as reasoning, that eating or touching the fruit of the tree of the knowledge of good and bad would lead to some good. This erroneous desire entered the mind as an absolute, as truth. Now, this prohibition, not to touch and not to eat from the tree, was from God and eating of the fruit would lead to death. However, Eve had other ideas, she reasoned on the subject, to eat or not to eat. She cultivated desire for the fruit of the tree of the knowledge of good and bad, contrary to the command received, and she opened her mind to thoughts and concepts which were in conflict with what has been accepted as truth in the subconscious domain of her mind. Eve overruled what was previously accepted as truth. This was, and this is, a very dangerous way of

51

dealing with the subconscious mind.

## Belief In Lack and Limitations Changes Consciousness

Adam and Eve were conscious that only good would come to them and they had no concept of bad, they were perfect in mind and Spirit. However, by introducing the concept of bad, they started to entertain thoughts, which no longer were in harmony with God's thoughts. But, because of being free moral agents, being made in God's image and likeness, they had the freedom to cultivate desire for what has been termed good or bad. But, paying attention to questionable concepts, which are bad, would be to their peril, because they would have to go against their conscience and that would mean a possible change of consciousness from a consciousness of abundance of all good to a consciousness of lack and limitation leading to insecurity, fear, error, sickness and death. Here we need to understand that lack is not a concept in the universe, and with God, because by additional good any lack can be filled and any bad can be dissolved. Therefore, bad is nothing at all, it is a thought creation; it can only be held in the consciousness of fallen man.

## Right to Eternal Life Lost

This was a matter of the most serious concern for God and man, because the right to eternal existence would be at stake for man. The first man and woman were creations of God, and thereby, they were Gods Children. However, Adam and Eve failed to install into their sub-conscious mind Life Consciousness. They did not discern the need to eat from the Tree of Life, which was also in the middle of their Garden Home. Eating from the tree of life would have given them a consciousness of never ending life, a spiritual quality indeed. Instead, Eve kept on looking at the fruit of the tree of the knowledge of good and bad seeing only the physical benefit, which she desired. Eve saw only the fruit and the good this fruit could do for her and her husband, Adam. However, food was not the driving concept in the manifestation of the tree of the knowledge of good and bad, it was knowledge transfer that was important to God and to the first human pair. Eve's conscience did not allow her to proceed and eat without serious consequences for her and for mankind as a whole. Eve was after all a perfect creature knowing only the concept of good.

## *Believe in Two Powers, Good And Evil, An Illusion of Fallen Man*

Because of her inability to move toward and taking of the fruit of the tree, Eve went on and cultivated strong desire for the fruit of the proverbial tree, and desire for

the fruit, when desire has become fertile it would bring forth death and a disapproved condition as a consequence of her error. In order to satisfy her desire, she reasoned on the subject at hand and entered into a dialogue with a speaking serpent, which was an illusion, in order to become convinced that the fruit was good for food. The speaking serpent was a thought creation, a figment of her imagination and an illusion, which were the result of strong desire and Eve's reasoning on the subject of taking or not taking of the fruit of the tree of the knowledge of good and bad. Eve had to change her believe system, which would come to her by reasoning on the subject of good versus bad. When Eve became convinced that the fruit was good for food then she reached out for the fruit and she ate. Later she also gave some of the fruit to her husband and he ate.

## Changed Consciousness At The Beginning Makes Man Unfit For Purpose

As a result of this action, both, Adam and Eve violated their conscience, which at that time knew only God and good and they changed their conscience, from a conscience of abundance of all good to a conscience of lack and limitation, leading to fear, insecurity, sickness and finally death. Man had changed consciousness and

he has become unfit for purpose. He no longer had free access to the source of all power, which are God, the source of all good, because, their conscience had changed to accept a belief in lack and limitation and in good and bad. This new belief changed mans standing before God and they were no longer able to commune with God, because, they were flawed, sinners. Adam and Eve started to believe in two powers of God and evil, or in good and bad, whereby, they became subject to the Law of Consequences, or the Karmic Law, you reap what you sow.

## *Lack and Limitations The New Consciousness Of Man*

How do we know that this was so? Well, we know by what happened next as the drama unfolds. Adam, who used to talk with God during the breathy part off the day, was no longer seeking God, avoiding contact with God, by hiding in the garden home. When God called on Adam then Adam failed to answer. Later, God asked Adam why he did not answer, then Adam said; I am ashamed, because I am naked. Then God said; who told you that you are naked? Have you taken of the fruit of the tree of which I have told you not to eat? Adam had become conscious that he lacked covering; he had become conscious that he was naked. God then gave Adam and Eve loin coverings made from animal skin.

They had accepted two powers, good and bad, but bad per say is actually nothing at all and it can always be destroyed by additional good. But now, bad has found a home in the consciousness of Adam and Eve and from there bad of every kind would come to mankind. Here we need to remember that Adam and Eve were creators made in Gods image and likeness. The concept of the devil was created as a power in opposition to God, to differentiate between good and bad. Man has come to believe in two powers, of God and evil or good and bad. Man had become unfit for purpose.

## *Spirit when Corrupted Becomes Subservient To The Flesh*

Then God rejected Adam and banished him from the Garden of Eden to live and cultivate the ground in the sweat of his face, outside of the Garden of Eden. By the sinful action of Adam and Eve, the Spirit, which operated in man, had been corrupted, and as such, it could no longer sustain the body in perfection. The Spirit of God, operating in man, became subservient to the desires of the fallen flesh, to do the bidding of the flesh. By this fact, mans spirit had no longer unimpeded access to the source of all power to support the flesh in perfect health with everlasting life in view. The spirit was no longer able to sustain perfect health and sickness developed. Man's fear of death lead to his death. All of

56

Adams offspring inherited this corrupted spirit from Adam and Eve, which was by means of procreation.

## *Belief in Two Powers Brings Alienation From God*

Man had changed consciousness from a consciousness and a belief in one power, of God, the source of all power and the source of abundance of all good, to a consciousness of two powers, the power of good and the power of evil, which led to a consciousness of lack and limitation. This changed consciousness has dominated man ever since that fateful day. Today, we are facing another challenge of a similar magnitude of what was experienced in the Garden of Eden and most of us are ignorant of this fact.

## *Changed Consciousness of Modern Man*

Today, on the basis of the love of God and in compliance with universal laws, man's consciousness can change. The prospect of changed consciousness from lack and limitation to a consciousness of super abundance of good is now available to mankind. This is a direct reversal of what took place at the beginning, in the Garden of Eden. This changed consciousness can only be achieved through the change of belief. To

achieve this requires an act of God. The spiritual Law of Compensation, which is a universal law, had to be complied with in order to change mans consciousness.

## *The Compensator Is Needed*

On the bases of love and justice, God, in compliance with the Law of Compensation, provided the Compensator to bring about a perfect life to compensate for the prefect life, which was lost, when Adam and Eve transgressed at the beginning. Through the prophetic word, the bible, the arrival of the compensator was announced 483 years before his arrival on earth. This was in support of indisputable evidence of Gods love for mankind. It was designed to change our consciousness and give us Life Consciousness and thereby, we can have Gods favor and in the end everlasting life.

## *Christ the Compensator Through Gods Will*

We have come to know the Christ, the Compensator, who was born in the genetic line of King David in compliance with the prophetic word, which was communicated through an angel to the Jewish Virgin, Mary. This was an act of Gods love for mankind, because mankind was unable to supply a righteous

compensator to intercede on behalf of man, before God. The Compensator came in the role of the proverbial Lamb of God, in order to sacrifice his righteous body, so that everyone, on the basis of faith in the righteousness of this sacrifice, may change consciousness. This changed consciousness would lead to everlasting life and free access to God on the basis of Holiness and in compliance with universal laws, on the basis of faith.

## *Christ's Sacrifice Is For Anyone On The Basis Of Faith*

This is the process by means of which we are able to receive the full benefit of a changed consciousness and have life in abundance of all that is good. This is so, because a righteous life sacrificed has the eternal right to live for eternity. A righteous life, when sacrificed, cannot be lost, nor can it be squandered or be destroyed. God is willing to use this sacrificed life, of Jesus Christ, for the benefit of mankind through an act of faith. You have to believe that Jesus Christ is the Son of God and the Son of Man. This sacrificed life is called the Ransom Sacrifice because it pays for our sinful life for mankind, as an exchange. At the time of Christ's sacrificial death, the Spirit of the Christ, or, the life force which was in Jesus Christ returned to God who gave it, in the first place. This spirit can now be given to anyone on the basis of faith, so that you, the individual, can have

59

changed consciousness and have life in abundance. This is the life force, the Spirit, which was in Jesus Christ, the Spirit of which is Holy, from God, which was received at the time of Mary's conception. This Spirit of the Christ is now available to be given to anyone, by God, on the basis of faith in the ransom sacrifice of the righteous life of Jesus Christ.

## *The Knowledge Of Christ*

You are to take in knowledge of the Christ by reading Gods Word, the Bible, in an undertone day and night. You are to exercise faith in the things learned, which are about the Christ. This you do by using your free will, and by faith, you are getting finally baptized into the death of the Christ, by dying in the likeness of Jesus death. He, the Christ, died with reference to sin, the sins of the world of mankind, and therefore, you also die with reference to your sins, by going under the baptismal water on the basis of faith.

## *You Die As To Sin Through Baptism*

You go under the baptismal water, in faith, therefore, God views you as having died with reference to your sins, you are acquitted of all of your sins. This is in

compliance with the written word of God, the Bible, where it says that everyone that has died has been acquitted from all his sins. But now that you have died with reference to your sins, your spirit, which has been received through procreation, from Adam, has returned to God who gave it, at the beginning. You are, thereby, acquitted from the curse of sin; you are free as to sin.

## *Born Of Water And Spirit*

Because you are free from sin and your spirit, which is from Adam, has returned to God who gave it, you are now ready, through the Law of Transfer, to receive from God his Spirit, which was also in Jesus Christ, our Lord. You have complied with the scriptural entry requirements into the Kingdom of God as stated by Jesus Christ. Jesus stated in John chapter 3, speaking to Nicodemus, who was a member of the Jewish Sanhedrin saying: 'you have to be born of water and Spirit in order to enter and see the Kingdom of God'. In compliance with this requirement, you have become acceptable to God. God declares you righteous, and as a result of this, he also gives you Undeserved Kindness and everlasting Life. You are a new creation born of water and Spirit and you can now receive the proverbial circumcision of the heart by Spirit, the Spirit of which makes you clean in God's sight.

## Receive The White Outer Garment

Because you have done this, you receive the white outer garment, which has been made white in the blood of the lamb, according to the scripture in Revelation Chapter 7, and this through the ransom sacrifice of the righteous life of Jesus Christ, our Lord, King, High Priest and Leader.

## You Are The Progeny Of Christ By Faith

This process is based on faith, in the ransom sacrifice of the righteous life of the Christ, the faith of which causes you to become the progeny of the Christ, because you have Gods Spirit, the Spirit of which was also in Jesus Christ. And the Christ has become to you the Last Adam, also referred to in scripture as the 'Wonderful Councilor, Eternal Father, Prince of Peace and Mighty God'. (Isaiah chapter 9.) The Christ has become your life source, by the Spirit, which was also in Jesus Christ. By your baptism you have become the offspring of the Last Adam and you have received a changed consciousness of super abundance of good, of light and life. In fact, one can say that by your partaking of the bread and the wine, or partaking of the emblems at the memorial of Jesus death, you are in fact feeding on the unleavened bread, which symbolizes Christ's broken body and you

62

are also partaking of the wine, which represents the blood of the sacrificial lamb of God. By this action, it can be said that you are eating from the proverbial Tree of Life, which, in this case, is Jesus Christ our Lord the big tree of righteousness. By this action, you acquire Life Consciousness.

## You Changed Consciousness To An Abundance Of Good

You have become precious in God's sight and no man can teach you to know God, but God will complete your teaching and your training and this to his praise and glory, forever and ever and into all eternity. You have changed consciousness, from a consciousness of lack and limitation to a consciousness of super abundance of good, because you have become a Son or a Daughter of God, the Father by adoption. You are a new creation born of water and Spirit.

## Bad Has Come To Nothing

By changed consciousness you have received harmony with God, and whatsoever good you desire, this you shall also obtain. You have become conscious of one power, which is the power of God and good, and the concept of bad has no longer any power over you, as far as you are concerned. Bad is in fact nothing, it has come to nothing

by the good of the Christ, within. You have consciousness of power, and whatsoever you desire, this you shall also have. You have the Spirit, Holy Spirit, which was also in Jesus Christ and you can do the things the Christ did, on the basis of your faith. In addition, you have health, wealth, love and power with joy of heart and peace. You have super consciousness of good and bad cannot attach itself to you, because of super abundance of good, which is supported by the Undeserved Kindness of God, and by the Law of Forgiveness. You have become conscious that bad is nothing and can only exist if we believe in two powers, in God and evil, instead of believing in one power, which is God and good.

## *Associated Kings And Priests with Christ*

You have changed consciousness from lack and limitations to abundance of good, and as a result of this, you are a super human and you have the prospect to be selected by God, to become associated Kings and Priests with Jesus Christ, ruling with Christ from Heaven, with the aim of bringing resurrected mankind to perfection over a period of 1000years of Kingdom Rule. This group of selected ones number 144000, who are the bride of Christ, and as such, they have part in the first resurrection, to be with Christ, in Heaven. Alternatively,

Jesus Christ may choose you, to become a proverbial “Foundation Stone” of the new earth society, which is made up of resurrected mankind. You have the prospect to live on a paradisiac restored earth, in the Kingdom of God. You are righteous and you cannot be judged at the end of this system of things. You are Holy, and you are indeed happy, as an adopted Son or Daughter of God.

## *Conscious of the Spirit Of The Christ Within*

You are conscious that you have the Spirit of God, the Spirit of which was also in Jesus Christ, thereby, you are able to love God and your fellow man at all times, as you love yourself. This will prove to be for the benefit of all those who listen to you and who desire to emulate the Christ, within, in their lives. You are blessed with super abundance of good thoughts and you are happy, because of the good conscience. This good conscience gives you joy and peace, with health; wealth, power, strength, mildness, kindness and goodness today and into all eternity, even forever and ever. God declares you righteous and you have been accepted as a Son or Daughter of God on the basis of your faith, which has led you to take possession of changed consciousness including the circumcision of the heart, by Spirit.

## Repeat The Reading Often

In order to retain the above information and make this information your own, you are encouraged to read this writing often. By doing this, you instill these principles in the subconscious domain of your mind. This provides a solid foundation of faith and God will complete your teaching and training as you continue to apply yourself to the daily reading of God's Word the Bible. Indeed, you have changed.

Chapter 3

Self-Control

## Self Control Requires Power

Most of us understand that self-control requires power. But, where we fail, is in possession of power that can transform. This power is god-power and it comes to us by Spirit. But, what spirit are we here emphasizing? There is spirit in every living thing and there is Infinite Spirit, God, and God is the source of all Spirit and power.

## The Spirit, Which Is From God

In our discussion we want to focus on the Spirit, which is from God, the Spirit of which was also in Jesus Christ, our Lord. By laying hold on this Spirit, we will be able to cultivate the most powerful qualities, which we need, in order to exercise self-control, as a fruit of God's Spirit.

## Self-Control A Fruit Of Gods Spirit

Self-control is a word much emphasized in the Bible as being part of the fruits of God's Spirit. Men of knowledge have considered self-control to be a necessary quality to be cultivated, in order to enter the fourth dimension of the universe, the Plane of the Absolute, the God plane.

## This Book Is Written For The Elevation Of Man

The Plane of the Absolute is the God plane of existence and it can only be reached, by man, through the Law of Compensation, the Law of Forgiveness, or, by the Law of Grace, by becoming conscious of consciousness of power. This book has been written with the ordinary man in mind, for the elevation of men and woman, to bring about change and faith, which can preserve alive, its owner. Without self-control, there can be no lasting success.

## Without Consciousness of Power There Can Be No Self-Control

On the other hand, without consciousness of power there can be no self-control? Real power is displayed through self-control, unless we realize this fact, we will not be able to progress to obtain lasting happiness, peace and success.

## Lack Of Self-Control From The Beginning Of Man

The history of mankind is a story underwritten by a lack

of self-control. This lack of self-control was introduced to mankind at the beginning, in the Garden of Eden, when Eve willfully displayed lack of self-control. There, in the Garden Home, Eve reached out to the fruit of the tree of the knowledge of good and bad, to which death was attached as a retribution for error. God stated that the fruitage of that tree was not to be touched, and the first man and woman were not to eat from the fruitage of the tree of the knowledge of good and bad. As a result of the woman's reasoning on the purpose of the tree of the knowledge of good and bad, although her being perfect by reason of the Spirit within, she finally became convinced in her thoughts that the fruit was good for food. Eve yielded to satisfy her desire for the fruit, by directing her thoughts in wrong channels of thought and she ate. This action violated consciousness, which resulted in changed consciousness, from a consciousness of abundance of good, to a consciousness of lack and limitations. This event ushered in the age of lack and limitation with man being in possession of the spirit, from God, which had become corrupted by Adam and Eve's transgression, resulting in ageing, sickness and death.

## The Age Of Enlightenment Has Arrived

We are living at a time of great change, where old values

are being replaced with new ones and uncertainty can everywhere be found. The age of enlightenment has arrived and many are searching for a higher calling in life. This is the time of sober contemplation of the deep things of God, and there is a need to reach out to knowledge and understanding that liberates and transforms, to give freedom from want.

## Watchman, What Of The Night?

Previously, not known universal laws are being discovered and old human values are being overthrown, for the benefit of the greater whole. That raises the question: 'Watchman, what of the night'? Indeed, the night is fast approaching and fearful indicators show that the survival of mankind as a whole may be at stake, according to some limited understanding, by those who have inadequate insight and knowledge of God's purposes for humanity.

## Faith That Can Preserve Alive Its Owner

Now is the time to seek not riches, but to seek wealth. There is no need for self-denial. No, now is the time to cultivate the faith that can preserve alive its owner. Therefore, arise and look at the harvest and see that it is white for harvesting. Now is the time for sober

contemplation of the deep things of God, and take in the life changing knowledge, which will lead to health, wealth, faith and everlasting life.

## *Self-control is Very Important For Success*

Self-control is a vital quality, which is important, in order for us to succeed in our lives, and therefore, we need power to exercise self-control. But, from where can we obtain this power? This power is God power, by means of which we will be able to cultivate self-control, where self-control is a fruit of God's Spirit. This power can only come to us on the basis of faith and changed consciousness. This book helps the reader to grow in the knowledge and understanding, which must bring power to the reader, power, which is from God, the power of which leads to self-control with happiness, joy and peace.

## *In The World There Are Two Powers, Good And Bad*

But, by closer examination of all the facts, which are in support of our understanding, we continue to believe in two powers, which are the power of God and the power of evil. This belief system, which is in two powers, may have escaped our notice, in the past. There are two

powers to which mankind has subjected itself. There is God Power, being the power of only good, and there is power, of evil. God power brings about that which is good and the power of evil brings about that which is bad. Because man has accepted both the good and the bad, at the beginning, he has accepted the belief system of lack and limitations, which are the dominant thought forms that are manifest throughout human history, until this day. This is the belief in Karma, you reap what you sow.

But, with God there is constancy, with Him there is not a variation of the turning of the shadows. With God there is no consciousness of evil, nor is there consciousness of bad. Concepts of bad are mind creations of fallen man, these concepts are based on illusions, which dominate our thoughts, and thereby, we are inclined to bring forth every aspect of what is bad, in compliance with the Law of Attraction.

What is needed is the correct understanding of knowledge, which belongs to man who has a standing of righteousness with God, the Father. This understanding is focused on one power, which is God and good and that understanding must change our belief system from a belief in two powers, with lack and limitations, to a belief in one power, being the power of God and good.

## Self-Control A Fruitage Of Gods Spirit

We believe that we can obtain this power, which is from God, and that belief is a product of faith in the ransom sacrifice of the only begotten Son of God, Jesus Christ, our Savior and Leader. Self-control and faith are both fruitages of the Spirit and that Spirit is from God, the Spirit of which was also in Jesus Christ, when walking the earth as a man. But, in the meantime, while we are contemplating our standing with God, the power of evil dominate our thoughts, by means of which, we keep on giving power to what is bad, with thoughts of lack and limitations. We are conscious of two powers, of God and evil and that is the real problem, which is bringing to us pain, sickness, fear, insecurity and finally death. These are the problems we are creating for ourselves apart from being conscious of lack of self-control.

## Real Power Is From God By Spirit

Everything that we want to accomplish requires power, of one sort or another, and real power is from God, by means of Spirit, the Spirit of which was also in Jesus Christ. To obtain this power, which was in Jesus Christ, we need the transfer of Spirit, the Spirit of which was also in Christ Jesus and have it transferred to men of faith. This transfer of Spirit comes to us at the time of

our scriptural baptism, on the basis of faith in the ransom sacrifice of the only begotten Son of God, Jesus Christ.

## Dying In The Likeness Of Jesus Death

At the time of our baptism, we are required to willingly die in the likeness of Jesus Christ's death. The Christ was, at the time of his debut on earth, the only righteous man, after Adam; Christ, died a sacrificial death with reference to the sins of the world, of mankind. We in turn also are required to die with reference to our own sins. Therefore, the person that has died in faith, according to the scriptural injunction found in the Bible, will be acquitted from all his sins, because he has died. The Greatest Book, ever written, bears witness to the fact that the sins of a person are wiped out at the time of one's natural death. At that time, the person who has died has been set free from the accusation of sin, he is set free from the effects of sin, at the time of his or her literal death.

## Christ's Spirit Returned To God Who Gave It

The Spirit transfer, from God to man, takes place while

you are submerged under the baptismal water, and there, your spirit, which is from Adam, returns to God who gave this spirit at the time of procreation. God now gives you His Spirit, which previously operated in Jesus Christ, our Lord. It is good to remember that at the time of Jesus death, on the torture stake, Christ Jesus breathed out his last breath and he died. At the time, the Spirit, which was in Christ Jesus, returned to God, who originally gave it? That Spirit, which was in Christ Jesus, returned to God and from that day on, it was with God to be given to anyone on the basis of faith. This faith is in the ransom sacrifice of the righteous life of Jesus Christ, our Lord, believing, that it was necessary for one person to die, in order for many to attain to righteousness with God, and thereby, this person may have everlasting life.

## *A New Creation Born Of Water And Spirit*

By this baptism, we have become conscious that we are a new creation, born of water and Spirit. Therefore, let us be humbled under the mighty hand of God, and become empowered by faith, to do what is termed good, through a changed consciousness. This changed consciousness must manifest in a transformed personality, the new creation, which is molded to be that which was manifest through Christ Jesus. The Spirit that dwells in you, after

your scriptural baptism, is given to us by God, and that Spirit was also in Jesus Christ. This is a remarkable transfer, which causes the recipient to be changed into a new creation, manifesting in the Christian personality and in changed consciousness.

## *By Christ's Spirit We Cultivate The Fruitage of Gods Spirit*

By the power of that Spirit, within, which now supports and operates our Christian personality, we have the power of Holy Spirit, within, which was also in Christ Jesus and that power allows us to cultivate the fruitage of the Spirit. This fruitage of the Spirit, according to the book of the Galatians Chapter 5:23 includes, love, joy, peace, mildness, kindness, goodness, faith, long suffering and self control.

## *We Are The Progeny Of The Christ*

We are here reminded, that in fact, we are a new creation born of water and Spirit, and by this process we have become the progeny of the Christ and the offspring of the Last Adam. We are declared to be Sons and Daughters of God, through Jesus Christ, our Lord and King. This is, indeed, a wonderful understanding of the deep things of God. This knowledge and spiritual

comprehension helps us to change our belief, to believe in one power, which is God and good. We are a new creation, indeed.

Why can we say this with a measure of certainty? This is the true understanding, which we have, by means of the Holy Spirit, which is from God. Where God dwells there is no place for evil and there is no place for bad, because bad and evil has no principle, and therefore, bad and evil can always be dissolved by additional good. This is the change that is experienced by every Christian, whereby he or she will be set free from the dominance of the fallen flesh. These are the urges of the fallen flesh, from which we have been liberated, setting us free from sin and death.

## *Adam Had To Exercise Self-Control But Failed*

From the beginning of man, we have been subject to lack of self-control, when Adam and Eve ate from the proverbial tree of the knowledge of good and bad. It was a time of change, and self-control, which was one of the fruits of Gods Spirit, had to be put to good use by the first humans, Adam and Eve.

Why do we make this statement; because every fruit, of the above mentioned fruitages of the Spirit, is part of

perfect man's make up, his way of life and that included the application of self-control. In fact, there are nine fruits of the Spirit, which are part of the human experience and these are love, joy, peace, mildness, kindness, goodness, faith, long suffering and self-control.

## *Self Control, Demands One-Power, God And Good*

The exercising of self-control requires a pre-condition, which is faith, or a belief and that belief demands to see only one power, which is God and good. For this reason, a tree was indicated to the first human couple, in Eden, with a God given limitation, not to eat and not to touch the fruit of the tree of the knowledge of good and bad. In fact, non-compliance with this God given limitation would lead to their death.

This commandment came from God, which entered the subconscious mind, of man, as an Absolute. However, for Eve there was a clarification needed, which she desired to be given, which raised the question; why should man not be eating from the fruit of this tree, when Adam and Eve were told to eat from every tree of the garden to satisfaction? Eve started to reason on this subject of the rightfulness of the God given command, which had been given in respect to the tree of the knowledge of good and bad. Based on Eve's reasoning,

on the right, or wrong, of eating of the fruit of that tree, she started to cultivate strong desire for the fruit of the tree of the knowledge of good and bad, the desire of which was directed in wrong channels of thought.

However, Eve failed to consider eating the fruit of another tree, which was the Tree of Life, which was also in the middle of their Garden Home. Her faith, in God's commandment had become marginalized by her reasoning on the subject of the rightfulness of God's requirements. Eve had become convinced, that touching and eating of the fruit of the tree of the knowledge of good and bad would prove to be good for her. This was to be a very big mistake, leading to changed consciousness, to a belief in lack and limitation and in not having enough.

## *With God There Can Be No Bad*

Eve should have exercised faith in God's word, believing and knowing that God is love, and therefore, bad could not exist in God's presence, because bad has no principle, and therefore, bad can always be destroyed by an additional good. By an additional good, the desire of eating from the fruit of the tree of the knowledge of good and bad would have been removed. This additional good would have come to the first human pair by eating from the fruit of the other tree, which was in the middle of their Garden Home, which was the Tree of Life. They

failed to comply with the latter. Adam and Eve were aware of the fact that to one tree death was attached and to the other tree eternal life was given to the eater. It was a catastrophic mistake to ignore the Tree of Life, and instead, paying attention to the tree of the knowledge of good and bad. To cultivate desire for the forbidden fruit was a sin, a gross lack of faith. We need to remember that it was love on Gods part that brought the two trees to mans attention, and eating from the Tree of Life would have been for their eternal good.

## *Eve Reasoned On The Law of God – Eve Acted Not By Faith*

Eve started to reason on the matter of eating, or not eating, of the fruit, of the tree of the knowledge of good and bad. Why should she not eat from the tree of the knowledge of good and bad, when the fruit appeared to be good for food, according to her perception? Her subconscious mind would not allow her to take and eat from the fruit of the tree, because her perfect conscious mind was the guardian, or the watchman, over the life functions of the subconscious domain. Her subconscious mind had accepted the command from God, to abstain from eating of the fruit, as an Absolute. Violating her subconscious mind would, therefore, have serious consequences, leading to changed consciousness and to believing in two powers, being the power of good and

bad. In fact, for Adam and Eve, at that time, there was only one power and that was God and good.

## *The Exercise Of The Fruits Of The Spirit Required God Power*

Therefore, violating her subconscious mind was no option for Eve. Rather, she had to make use of the fruitage of the Spirit, which was that of self-control, which would have prevented her from taking of the fruit and eating it. But self-control, being a fruitage of the Spirit, operated in Eve among the other eight fruit's produced by Gods Spirit, as previously indicated. The exercise of all nine fruits of the spirit required power from God and that power was in plentiful supply, because of the righteousness that was in them at that time.

## *Desire Needs To Be Directed In The Right Channels*

Eve failed to appreciate the fact that strong desire, being a most powerful thought form, needed to be directed in appropriate channels of thought, in order to operate for her benefit. However, Eve cultivated strong desire for something that would bring death. That kind of action, chosen by Eve, was inappropriate and not befitting for

Eve, who was a righteous creature. Such desire was contrary to Gods will and purpose, and therefore, it would prove to be not beneficial to her. In fact, it would lead to death for both Adam and Eve. Their Spirit was Holy Spirit, and that Spirit was not willing to yield to her natural desire.

## *Eve Kept On Looking At The Tree Of Good And Bad, Cultivating Desire*

In addition to strong desire, directed in wrong channels of thought, Eve kept on looking at the fruit with strong desire, reasoning that the fruit was good for food. Her subconscious mind could not support her desire, and therefore, she created an illusion, by her persistent desire, resulting in a speaking serpent, in order to reason with this illusionary creature on the right and wrong of the God given limitations. Thereby, she became convinced that eating from the tree of the knowledge of good and bad would be good for her. Here we want to be reminded that Adam and Eve were creators, made in God's image and likeness, their Father. Creating the concept of bad should have been no option in their case. However, her persistent desire brought about the creation of a delusional creature, which resulted in the manifestation of a speaking serpent, which communicated with Eve, in support of her desire. This is

a strong warning to anyone of us, today, to keep our desires limited to direct them in right channels of thought, in support of the Spirit, within. A God given command must always be obeyed, on the basis of faith, and not on the basis of reasoning.

## *Eve Created a Belief In Two Powers*

During this reasoning process, and the dialogue that followed, between Eve and the serpent, Eve became convinced that eating of the fruit of the tree of the knowledge of good and bad would be of benefit to her. Through strong desire directed in wrong channels of thought, Eve created a belief in two powers, when in fact there was only one power, God and good. Eve, by her desire, which was directed in wrong channels of thought, Eve created a secondary power, which was the power of evil, which was in opposition to God-power. By this new power, Eve became convinced that eating from the tree of the knowledge of good and bad would be good for her.

## *A Secondary Power Created By An Illusion, The Speaking Serpent*

As a result of this, the power from God, which was able to give her the power to exercise perfect self control, was marginalized and a secondary power was created, which

was an illusion that would give her the power, and the belief, that eating from the fruit of the tree of the knowledge of good and bad would be good for her. This illusion brought about a new power, which was in opposition to God-power and when Eve obeyed that power of evil, it would rob her of God power.

## *Evil Was Born Leading To Death*

The result for Eve was a changed consciousness, from a consciousness of abundance of what is good to a consciousness of abundance for what is bad. Evil was born, to bring to man every form of badness, leading to anxiety, fear, worry, insecurity, sickness and finally death. By giving some of the forbidden fruit to Adam, her husband, was already an act of evil, because Eve had already lost the Spirit of holiness, by reason of her transgression.

## *Eve Became Weakened In Her Power To Do Good*

Eve became convinced, that what she was about to do was good and beneficial for her, and as a result of this rebellious action, Eve became isolated from the source of all power, which is God-power. She became weakened in her power to do what is termed good and she became strengthened in the power to do what is termed bad.

Thereafter, she took of the fruit of the tree of knowledge of good and bad and she ate. Later she also gave some of the fruit to Adam and he ate.

## *Adam and Eve's Sin Changed Consciousness*

As a result of this, Adam and Eve instantly changed consciousness, from a consciousness of super abundance of good, to a consciousness of lack and limitation. Adam and Eve became instantly conscious of not having enough. They displayed a lack mentality, which brought sickness and death to Adam and Eve, and thereafter, they passed on this lack mentality on to the entire human family through the process of procreation. Adam manifested this lack mentality by covering his loins, while in the proverbial Garden Home, in Eden. When God ask Adam, why he was hiding away from God, Adam replied, saying: I am ashamed, because I am naked. Then God answered and said: Who told you that you are naked? Have you eaten of the fruit of the tree, of which I commanded you not to eat? Then God gave them a loin covering. They were flawed for life, which led to fear, anxiety, ill health, and a lack of self-control, which finally led to their death. They were driven out of their Garden Home, in Eden, to live a life of lack and limitation.

## Adam and Eve Created An Illusion To Believe In Two Powers, Good And Bad

Adam and Eve had unlimited power from God to display perfect self-control, as a fruitage of the Spirit, Holy Spirit. However, by the uncontrolled used of strong desire, directed in wrong channels of thought, Adam and Eve were considering the fruit of the tree of the knowledge of good and bad, as being good for food. Eve created an illusion, by strong desire, which was an illusionary power based on their vain imaginations, which was in opposition to God-power. By this illusion, they became convinced, to believe, that by taking from the fruit of the tree of the knowledge of good and bad, she would be like God knowing good and bad. This plunged humanity into isolation from God and they began to display a lack mentality leading to limitation, which lead to a life of isolation form God, the source of all power. They began to believe in two powers, the power of good and the power of bad, which isolated man from God-power.

## Evil Was Born By Forced Desire

Adam and Eve created a new power, on the basis of an illusion, which was in opposition to God, which was the

power of evil and bad. However, bad has no principle and could always be destroyed by an additional good.

Today mankind believes in two powers, in God and good, as well as in evil and bad. By this duality of belief, mankind has become isolated from the source of God-power. They obeyed an illusionary power, which is a thought creation of fallen man and this power has no right to exist in righteous man. The tragedy of mankind unfolded, and to this end, history revealed a tragic life of fear, greed, war, disease, sickness and finally death.

## The Law Of Compensation, Gods Way To Bring Change

Today, we are in a situation of a similar magnitude as that, which took place in the Garden of Eden. God has come to our rescue by means of the Law of Compensation. The Law of Compensation demands a righteous life, which is needed to replace the life that was lost, being provided being of equal value. This came about through a man who came in the likeness of the flesh which Adam had, who came to be known as Jesus Christ, our King, High Priest and Leader.

## The Messiah Had Come To Change Mans Consciousness

The written account in the bible bears witness to the prophecies in support of the coming of the Messiah, the Christ. Humankind has changed consciousness in the Garden of Eden, from a consciousness of super abundance of good to a consciousness of lack and limitation. They started to believe in two powers, in God and evil instead in one power, which is a belief in God and good. The Messiah has been given the assignment to change the consciousness of man, from a consciousness of lack and limitation to a consciousness of super abundance of good. This change is now taking place with startling accuracy in fulfillment of prophecy. Mankind as a whole is in urgent need to hear and understand this good news.

## *For Us There Is But One Power, God and Good*

The power, which is needed to display self-control, was lost at the beginning and this power needs now to be restored. This would mean, that all of us, who share this planet earth, are to benefit from a new power, God power. We, first of all, have to understand that there are not two powers, God and evil, but rather there is for us but only one power, which is God and good.

## *The Messiah, The Last Adam*

Today, the Messiah, or the Christ, has come a long time ago and he became manifest on this earth as being the son of man, the Son of God. This one was righteous and Holy and he proved this by his life on earth. He was indeed the Messiah, the Son of God and the Last Adam, which was promised to come. Through Christ Jesus, our Lord, all mankind can change consciousness and put on the Christ, within, on the basis of faith in the ransom sacrifice of his righteous life and come to belief in one power, which is believing in the power of God and good.

## *By Love, God Gives us His Spirit, Which was Also in Jesus Christ*

After exercising faith in the ransom sacrifice of his Only Begotten Son, God would do his part and that would manifest in giving us his Spirit, the Spirit of which was previously also in Jesus Christ, our Lord. This would lead to changed consciousness, and man, thereby, is being restored to Gods favor with the gift of eternal life. All that man is required to do is to exercise faith, in the Last Adam, or in the Christ and be born of water and Spirit. By this faith, a person will change consciousness from a consciousness of lack and limitation to a consciousness of super abundance of what is good. This 'good' would include an abundance of power, which is from God, and by that power we will be able to produce the fruits of God's Spirit, which includes the

spirit of self-control. This causes us to be happy and to be at peace.

## *The Biggest Change Takes Place On The Basis Of Love*

By means of the Spirit, which is from God, the Spirit of which was also in Jesus Christ, the biggest change in man could now take place, as an act of God's love, and this to his praise and glory. This change can come to anyone, by means of the scriptural baptism. In addition, we are to receive the blessings of the Undeserved Kindness, which is from God, which is also known to us as the Law of Forgiveness. This makes us perpetually clean, before God, and happy to receive of his blessings.

## *Take In Knowledge Of Gods Word*

In this process, we are to take in knowledge of God's Word and get to know the life of the only begotten Son of God, Jesus Christ. Thereafter, we are to express faith in the things learned and put faith in the ransom sacrifice of the righteous life of Jesus Christ. At the time of our baptism we are required to die in the likeness of Jesus Christ's death. He died with reference to the sins of the world of mankind and we die with reference to our own sins.

## Be Willing To Exercise Faith In Christ

You, in turn, need to be willing to exercise faith in God's provision for salvation and die, with reference to your own sins, by being submerged under the baptismal water, where you die, in a spiritual way, as to your own sins. Thereby, God sets you free from the accusation of sin through the ransom sacrifice of Jesus Christ. This is so, because the scriptures state that anyone that has died has been acquitted from all his sins. By your willingness to die, in the likeness of the death of Jesus Christ, you are set free from the accusation of sin, and as such, you are set free from the domination of sin and death.

## God Gives You His Spirit Which Was Also In Jesus Christ

Because you have done this, God now gives you his Spirit, which was also in Jesus Christ, and by this act you come alive with reference to the Spirit, within. You are in fact a new creation, born of water and Spirit, which gives you entry into the Kingdom of God, with Christ as King. As you come up from the baptismal water you take in your first breath, and thereafter, God declares you being righteous and God gives you Undeserved Kindness, or Grace, and everlasting life.

## You Are A New Creation Born Of Water And Spirit

You are now a new creation, a Christian, with the Spirit of the Christ operating within. You have become conscious of harmony with God by the Spirit, within. As a result of this, you are to have whatsoever you desire, and you take possession of it at the time of asking, and it will manifest.

## Circumcision of The Heart By Spirit

Because you have the Spirit of the Christ, within, you have in fact Holy Spirit operating every cell of your body. By this Spirit, you can now receive the circumcision of the heart by spirit, and thereby, you are declared to be a Son or a Daughter of God, by adoption. You are happy and you cannot be judged, at the time of Gods Day of Judgment. This day takes place at Armageddon, where you are being declared clean by God to go alive through this time of trouble.

## You Can Exercise Perfect Self Control

Now, as to self-control, you now have the power, which is from God. In fact, you have become conscious of consciousness of power, and thereby, you can now exercise perfect self-control by means of the Spirit, which operates inside of you. Where Adam and Eve failed in their exercising of self-control, you, who have the Spirit from God, which Spirit was also in Jesus Christ, you have succeeded and are standing firm in faith with a consciousness of super abundance of good.

## There Is Super Abundance Of Good For All Of Us

A person who has perfect self-control can also control the world. This you can do as you walk, by fully pleasing God in all your ways. There is no longer any lack and limitation in anything that you may desire. All things are possible for you as you venture out into the world with a new consciousness, a consciousness of super abundance of good. You can conquer the world, as Jesus Christ also conquered the world. You are a super human and nothing is impossible for you.

## Moved By Unlimited Power From God

You have a consciousness of abundance of all that is

good and you are moved by the unlimited power of God to display the fruitage's of the Spirit, which produces love, joy and peace, mildness, kindness, goodness, faith, long suffering and self-control. You are happy in walking as a Son or Daughter of God and nothing is impossible for you.

## Use Your God Given Power Wisely

Use your God given power wisely and the peace of God, which excels all thought, will guard your heart and vital power by means of Jesus Christ. You are a Son or Daughter of God; you are the progeny of the Christ and the offspring of the Last Adam. Enter into the Kingdom of God with Christ as heavenly King and enjoy growing to perfection over the 1000year rule of Christ, the King in Gods Kingdom on earth.

## People Are Searching For A Way Forward

The unthinkable has taken place. Thousands of years of mankind's journey to the present have been dominated by lack and limitation of every kind. This lack mentality is to come to an end. Changes are everywhere to be seen and people are searching for a way forward, to a better life, with a better understanding of one's identity.

The problem of self-control is universal in scope. Most people have given up in trying to improve their understanding of the forces at play. But the problem has always been the lack of accurate knowledge and the lack of understanding of the things pertaining to life itself. Many have made much progress in the new psychology in order to find the answers to the complexity of life. However, time and again they fail to see the bigger picture. They are lacking in faith and in self-control and that is why there are wars and human conflict.

## Reaching Out To The Last Vestiges Of Lack & Limitation

This is now changing as mankind reaches out to the last vestiges of lack of spiritual comprehension. Now, we can overcome guilt and fear as we reach the ultimate plane of existence, the God Plane. The search is on for a fuller understanding of our spiritual identity, which must lead to the conclusion that we are first and foremost spiritual. Therefore, the progress, which we desire to make, must include our spiritual identity.

## Chapter 4

# One Power Consciousness

## One Power Consciousness

Humanity needs help and we are under no misconception as to the times and season in which we find ourselves. Much has been written about the problems we face, as a global community, with little change and benefit manifesting. There are the politicians, the financial gurus and the religious teachers of the world, all talking about change, but there seem to be no resolve to move in a positive direction. This book provides a new way and addressing the core problem dominating Human Society. We are talking here about changed consciousness, a subject not widely addressed by those who are perceived to be in the know.

## The Law Of Karma, Belief in two Powers

The world as we know it is dominated by a lack mentality, this lack mentality is from the beginning of man, leading to every mental and physical illness including anxiety, fear, crime, violence, war and death. Indeed, this is a very serious and widespread problem affecting us all. Collectively, we have bought into the two-power concept. This two-power concept, which is understood to be the Law of Karma, is expressed as you reap what you sow. The Law of Karma is also understood to be the Law of Consequences. Every good

we do and every bad we desire has consequences on human society as a whole. This is what the vast majority believes.

## *We Are Powerless To Change The Status Quo*

Why are we concerning ourselves with the two-Power concept? Is there anything that we can do that can change the world in which we live? Most of us would argue that we are powerless to change the present global situation. That attitude is confirmed by man-made organizations and human structures of rule, which we have created, over the many centuries of human history. These structures of human rule are designed to ensure an orderly society in which we conduct our human affairs successfully. However, we see a development in human understanding that has led to questioning almost everything that is and has been said and done, up to this day.

## *We Need To Understand Who We Really Are*

In order to bring lasting and positive change to human society we need to look at the very beginning of recorded history. We have to consider first of all a basic understanding of who we really are and understand,

what we call, human nature.

## Life Exists On Differing Planes Of Existence

We have come to understand that we are free moral agents in the world of living things. This expression, free moral agent, underwrites an understanding of right and wrong, or good and bad. By these concepts we are separated from the rest of physical life. As we consider life in general, as perceived by the human mind, that life can be grouped together on differing planes of existence.

### The Inanimate Plane of Existence

The planes of existence of the inanimate and the animate things can be grouped together in at least four planes of existence. There is the inanimate plane of existence, where we find matter, which appears to be lifeless, which has been formed over a long period of time. We understand that matter is formed from subatomic particles, electrons, protons, neutrons and atoms. Atoms, in turn, are grouped together to form everything we see in the physical manifestation of the inanimate world. That would include minerals, chemicals, gases, which we find here on earth, our planet, and in the universe with its billions of stars, galaxies and constellations.

## Evolution Takes Place Within The Respective Plane of Existence

Then there are another three planes of existence, affecting animate creation, where we find plant life, animal life and Human life. Here it is good to note that on each plane of existence we find the ability of life forms to evolve. By evolve we understand this to mean changes to life forms, within the prescribed plane of existence. Never have we observed that life forms from a lower plane of existence have breach the upper boundary to the next higher plane of existence. This can be understood to mean that Plant life forms and animal life forms remain plant and animal life forms; they will remain on their respective planes of existence. Therefore, also with human life forms, they exist on their respective plane and they remain human. No evolution can change this limitation.

## We Are Creatures Of Thought And Reason

From the above we have learned that there is order in the arrangement of life, and that would mean that there are higher powers and intelligences, who are in control of all living things, including inanimate manifestations. Having said this, we can now proceed to look at man, in particular, as a species of creation. We are indeed

creatures of thought, reason, and of mind of consciousness. As such, man must have had a beginning. Here we do not want to yield to arguments, by questioning our origin, of where we come from and how we have come to be on this earth. It serves us well, to accept that we had our origin in Infinite Spirit, or in God, who created both man and woman. We conscious that we are Spirit, with a fleshly body.

We are making this statement, on the basis of being a higher intelligence than that of living things on the next lower plane of existence, which is the animal plane of existence. Man has mind and thinking ability, as well as being able to utter intelligent speech and communicate intelligently with other humans. From the only credible record of mans origin, which is found in the greatest and oldest book ever written, the Bible, we understand that we are made in God's image and likeness. This makes perfect sense, since we are thinkers and we create by thoughts generated in our mind. There can be no comparison with the animal creation, although they are a product of creative mind and spirit, however, they are in no way godlike intelligence, made in God's image and likeness. This we are stating as an absolute, as a fact.

## *Godlike Creature Man*

Man, like God, creates by means of mind, which generates thoughts. Thought is subject to the Law of

Attraction and that Law comes to life by the operation of differentiated spirit, which is from God. Mind is the seat of memory, reason, consciousness and thought. Mind is kept functioning in man on the basis of the operating principle of Spirit, within, the Spirit of which is differentiated Holy Spirit, from God. In order to support Spirit, which is operating in man, man has to eat food, which is a product of the operation of spirit that operates in all plant and animal life forms. This helps us to understand that all life forms do exist in support of each other. Together, we are making up the cosmos.

## Universal Laws Operating For The Benefit Of Man

At the beginning of man, God declared that everything He had made was very good, and fit for purpose, and that would include man. However, man, who is made in `God's image and likeness, was and is, in fact, a Son or Daughter of God with a physical body, the fleshly man. In order for man to be fit for purpose, as a Son or Daughter of God, man had to learn, and to understand, the laws operating in the universe. These Laws are working for the benefit of the greater whole, and as such, they are of paramount importance to God and to man.

## Additional Knowledge Was Communicated To Man By Means

## of two Trees

Man, at the beginning, was created, perfect, without a blemish. However, his creative ability had to be in compliance with God's will and purposes. Here we need to understand that certain knowledge could only come to man after he was formed, from the dust of the ground. This was so, because, compliance with this additional knowledge would make man fit for purpose, to be a godlike creator, who creates by means of thought. By thought man causes a response from the Law of Attraction, in order to bring about the product of thought. This Law of Attraction is a neutral law and it will respond to negative or positive thoughts, it matters no to the law. However, it matters to the perfect mind of God. For this reason, man was instructed to pay attention to two trees, which were indicated to them by God, being placed in the middle of their Garden Home, in Eden. There was the Tree of Life and there was the tree of the knowledge of good and bad.

## Man Had To Become Life Conscious As Decreed By God

Here we need to understand that the Tree of Life was a game changer, in that the Tree of Life was in fact designed to give man Life Consciousness. If man would have taken note of this tree, in the first place, and

thereafter would have eaten from its fruit, on the basis of faith, then man would have become Life Conscious. What do we understand Life Consciousness to mean? Life Consciousness seems to indicate that perfect man, Adam and Eve, were, at the beginning, not Life Conscious. They had perfect life in abundance as a gift from God and that life was in support of all the good they desired, but life consciousness was another subject altogether. Consciousness is a belief, operating from the sub conscious domain of mind, and therefore, it is a belief of having life, within, having eternal and everlasting life and that by God's decree. Adam and Eve, by eating from the fruitage of the tree of life, would have become conscious of having received everlasting life. This Life Consciousness is triggered by a definite action of faith, in order to obtain it. It was a gift of God, which would have come to man on the basis of faith, or on the basis of belief, after eating from the Tree of Life, resulting in having life, within. This Life Consciousness would have entered their mind as a God given Absolute, which was an unchangeable statute.

*The Law Of God Is An Absolute,  
When Violated It becomes A Sin*

However, the record in the Bible indicated that Adam and Eve failed to avail themselves of the privilege of an expanded consciousness, by failing to eating of the fruit

of the Tree of Life, and thereby, becoming super conscious of life. Instead, they paid attention to the other tree, which was called the tree of the knowledge of good and bad. This tree was not meant to be for food, but rather, it was meant to give man additional life sustaining knowledge. Therefore, Eve kept on looking at the tree of the knowledge of good and bad with strong desire, because she saw and judged that the fruit of the tree was good for food. Adam and Eve failed to discern the wider implication of knowledge transfer, affecting the extended human family and that was the indication that eating from the tree of the knowledge of good and bad would lead to death.

Here again, because the God given limitation in respect to eating of the tree's fruit was to be seen by man as an absolute, it was not meant to be subject to reasoning, it had to be obeyed by faith. If man transgressed the stated requirements of God, then the consequence of such error could not be made good, because man was a perfect creation, who sprang from God. Any transgression to the God given limitation would affect mans consciousness. It would have been the right things to eat from the Tree of Life, in order to become Life Conscious. Thereafter, man would have been able to understand that a lack of faith was a grave sin, which had to be avoided in order for man not to die.

*Eating From The Tree Of Life,*

## *Man would have Everlasting Life*

The right thing for Adam and Eve to do, was to ignore the tree of the knowledge of good and bad and pay attention to the Tree of Life. By this action, man would have become empowered, through Life Consciousness, to curse the tree of the knowledge of good and bad, for not producing edible fruit, and thereafter, the tree would have withered and died. The issue of good and bad would have gone down into the history books, as the great victory, of righteous man over evil and bad. Man, who would have acquired Life Consciousness, whereby, man would have had a perfect disposition to reject any temptation coming from the tree of the knowledge of good and bad. The concept of death would have been rejected, by the cursing the tree of the knowledge of good and bad, with contempt, on the basis of acquired Life Consciousness.

## *Man Failed to Act In Faith, Man Reasoned and Thereby He Sinned*

As it turned out to be, man failed to act in faith, in respect of the tree of the knowledge of good and bad. Instead of acting in faith, they cultivated strong desire for the fruit of the tree. Man reasoned on the right and wrong, or the good and bad of the fruit of the tree of the knowledge of good and bad. Thereby, man cultivated

strong desire for the fruit of the tree. Of course, man was perfect, and therefore, man was unable to transgress against the God given limitation in respect to the three of the knowledge of good and bad. Man had to act in faith, by the Spirit of Holiness that was, within. After all, the limitation, not to eat of the fruit of the tree of the knowledge of good and bad, came from the Plane of the Absolute, the God Plane. Man failed to show unmovable faith in God's Word; man failed to recognize God's love in this regard. It is unthinkable for God, to do or to desire anything bad, because bad cannot enter into the presence of God. Bad has no principal and bad can always be destroyed by an additional good.

## *Desire In Wrong Channels lead to Delusional Thought Creations*

The only way man could convince himself that what he was about to do was good, was, by creating a secondary power, by directing strong desire in wrong channels of thought. Strong desire, directed in wrong channels of thought, will always lead to chaotic thought creations, because man is after all a creator, made in the image and likeness of God. Therefore, Eve, by strong desire, created an illusion, which resulted in a fictitious thought creation, which manifested in a mind creation in the form of a speaking serpent. Through this speaking serpent, which was a product of Eve's vain imaginations,

Eve could find the support, she desired. Eve entered into a dialogue with the speaking serpent, in order to be convinced that eating of the fruit of the tree of the knowledge of good and bad would be good for her.

## *Man Changes Consciousness from Abundance to Lack & Limitations*

After being fully deceived, and convinced, of the rightfulness of her action, Eve ate of the fruit and instantly, Eve changed consciousness, from a consciousness of abundance of good to a consciousness of lack and limitation. Later that fateful day, Eve gave also some of the fruit to her Husband, Adam, and he ate. Here it is good to remember that Eve had already fallen from `god's grace, before she gave some of the forbidden fruit to her husband, Adam. Thereafter, Adam and Eve changed consciousness and this becomes clear to us as we consider the written word of the creation account in the Bible. There, it is stated that Adam, while in the Garden Home, during the breezy part of the day, was avoiding talking with God, because of a guilty conscience. Later, God asked Adam why Adam failed to speak with God, Adam said: I am ashamed because I am naked. Then God answered and said: 'who told you that you are naked? Have you eaten from the fruit of the tree of which I told you not to eat'? From that day on, Adam and Eve become unfit for purpose. Adam and Eve had

changed consciousness, from a consciousness of super abundance of good, to a consciousness of lack and limitation. They were conscious of not having enough.

## *The Lack Mentality Was Born And It Continued Until Now*

This is the legacy of man, from the beginning, and that legacy has continued until this day. Today, we observe a global human society, bend to continue on in a lack mentality. In fact, we can state with a measure of certainty that everything that has been created by man in this world, has been created on the basis of a lack mentality. Therefore, whatsoever has been created by man will prove to be unfit for purpose, it will not stand the test of time; it will have to pass away with a hissing noise. Remember, bad, or, evil will always fall, according to the Law of Non-resistance, by its own weight bad and evil will fall.

## *Belief In Two Powers, God And Evil or Good And Bad*

What has taken place in Eden is the creation of a belief system that is based on two Powers, the power of God and good and the power of evil and bad. The world, as we see it today, is in support of a belief in two powers, and that by itself, gives proof that we have limited our

development to the creation of good and bad. In respect of the universe, including the earth, this belief system cannot be the foundation of a lasting solution to mankind's existence. This system of things must yield, to make way for something better, which can stand the test of time.

## *We Live During The Reign Of The Anglo-American World Power*

We have seen the rise and fall of great world powers, such as the Egyptian World Power, the Babylonian World Power, Medo-Persian World Power, the rise and fall of Alexander the great, of the Grecian World Power and also the rise and fall of the Roman World Power. According to world events, affecting us today, we live in the time of the last world power, of Bible prophecy, which is the Anglo-American World Power. To date, this world power has never been defeated and it must continue to play its role on the world scene until its final destruction, which will be at the hand of the incoming Kingdom of God, with Christ as King.

## *The Status Quo, A Belief In Two Powers, it will Come To Nothing*

In the meantime, world events keep on unfolding and mankind continues to build on the belief system of two

powers, of God and evil, or good and bad. This Status Quo will shortly be rocked to its foundation and this belief system, believing in two powers, must come to nothing. Therefore, the time is now to take appropriate action on behalf of our own destiny and on behalf of the destiny of those we love. The only way out of the inevitable demise is changing our belief system. We have to change, to embrace a belief in One Power, which is God and good. This is what Jesus Christ also believed.

## *We Have To Overcome Ignorance*

How are we to make the necessary changes in our belief system, whereby, we will be able to preserve alive its owner? We need first and foremost to overcome our ignorance that keeps us in bondage to the powers that operate on the world scene. These powers are the governments of this world and the large corporations, who do not desire to see any one of us to become enlightened. They belong to the Illuminati, they see themselves to be the enlightened ones, and they are happy with the status quo.

## *One Power Consciousness Will Break The Chains Of Ignorance*

However, you, the one with little faith, you are not to share in that perceived privileged standing of the

Illuminati. You do not qualify to share in their so-called knowledge and understanding, of human destiny. You are expected to keep your place in the halls of ignorance, with limited understanding of the so-called deeper things of life. This is about to change, as you continue to read this publication and come to understand destiny and the One Power Consciousness that will break the chains of ignorance. Come and let us continue in our quest for life.

## *Belief in Good And Evil will pass Away in Defeat*

According to the laws, governing the universe, the belief in two powers, of God and evil, or of good and bad has no future and must pass away from off the world scene in defeat. This belief system cannot bring change, it can only keep you hostage until that day when this system has outlived its purpose. This day is now very close at hand. You, the reader, are the privileged one that can effectively apply the changes that can preserve alive its owner. You have to change consciousness, from a consciousness of lack and limitation, and from a belief in two powers, of good or bad, to a belief in One Power, of God and good.

## *This Is The Way To Lasting Success.*

The universal Law of Compensation must be complied with in order to affect lasting change in humanity. This law states, that a righteous life that has been lost, by whatever means, must be compensated by another righteous life of equal value. This is so, in order for God's will toward mankind, as a whole, to be fulfilled. Thereby, man will come into compliance with the will of God. Here, we want to be clear that God must be understood to be Infinite Spirit, or Universal Mind. The minimum requirement of God, for an acceptable system of human rule, must be the expression 'it is very good'. This minimum requirement must be fulfilled to meet God's standard of what is good. For that reason, change must come, which is for the good of mankind, as a whole.

## *A Thought Creation of Illusion Made An appearance*

At the beginning of man, while in the Garden of Eden, man fell from an approved standing, with God, when man created an illusion, on the basis of forced desire, which resulted in a fictitious thought creation, in the form of a speaking serpent. There can be no speaking serpent, as we have learned; animal creation cannot breach the upper boundary of the plane of existence. Therefore, the speaking serpent was nothing more than an illusion and that illusion had its origin in a power,

which is in opposition to God power. Man created this illusion and provided the necessary power, although in fact, that power of bad is nothing more than an illusion, because the power of bad can always be destroyed by additional good. Here we have two powers, God and good, on the one hand, and the power of evil and bad, on the other hand.

## Man Worshiped The Gods He Made For Himself

Man suffered, from that fateful day onward unimaginable mayhem and hurt, which always led to corruption and more bad until death brought the desired relief. Religion became manifest to worship the gods, which man created for himself. Then, after a long period of time, through a nation that had God's approval, which proved to be the nation of Israel, God gave that nation the law, which was delivered to the nation of Israel by means of Moses, their leader. Through that nation, the Messiah was promised to come, after a prophetic period of 483 years. The Messiah made his debut on earth, when he was born of a Jewish virgin, being part of the tribe of Judah.

## By The Law Of Compensation The Messiah Came About

This birth of the Messiah, or Jesus Christ, was in compliance with the Law of Compensation, a life for a life. This was necessary, in order to do away with sin and death. Free moral agent, man, could not continue to exist in the righteous universe, as a creature of sin, with death in view. Sin and death of man had to be removed from the universe, and thereby, the earth could become the God given home to righteous mankind. The righteous compensator, the Christ, was the promised Messiah that was to change mans consciousness. The Messiah was to change the belief in lack and limitation and the belief in two powers, in order to bring in One Power Consciousness, with God, and super abundance of good.

## *The Christ Came In Role Of Adams Flesh, As A Son Of God, Son Of Man*

Let us follow through and see the drama unfold, before our eyes. When the Christ arrived, at the right time, according to the prophetic word, the Christ continued on earth for a further predetermined period of three and a half years, and then he would willingly lay down his life in sacrifice for the whole world of sinful mankind. By this sacrifice, the Christ would die as a righteous man, who came in the role of Adam's flesh. Christ was not God in the flesh, as some may believe, but rather, he had to be

120

of the same flesh as that of Adam's, our forefather according to the flesh, in order for the sacrifice to have value in the eye of God.

## *At The Time Of His Death, Christ's Spirit Returned To God Who Gave It*

Jesus Christ fulfilled all the requirements of God. At the time of Christ's sacrificial death, he breathed out his last breath and the Spirit that operated in every cell of Jesus Christ's body, left the body of the Christ and returned to God, who gave it. That Spirit, is the Spirit, which God gave at the time of Jesus conception. The Christ proved himself to be fit for purpose and the Spirit operating in Jesus Christ was Holy Spirit. This Spirit, which was in Jesus Christ, until his death, is now with God, to give to anyone on the basis of faith in the ransom sacrifice of the righteous life of Jesus Christ. The body of the Christ has died, but the Spirit of the Christ, which was the operating principle in the Christ, being righteous and Holy Spirit, cannot be destroyed. At the time of the death of the man Jesus Christ, the Spirit that was in Jesus Christ returned to God who gave that Spirit.

## *The Spirit Which Was In Jesus Christ Was Suitable To Be Given*

## To Man

That spirit, which was in Jesus Christ, was suitable to be given to man and that on the basis of faith. This is the faith that can preserve alive its owner. You are to take in knowledge of the life of Jesus Christ, and exercise faith, in the ransoming power of his life, being the promised Messiah, who has become to us the ransom sacrifice for the benefit of humanity, as a whole. After you have acquired adequate knowledge and faith, you are invited to display this faith by being baptized, in the likeness of Jesus death. You are to be baptized in the name of the Father, God, and in the name of the Son, Jesus Christ, being the only begotten Son of God and in the name of the Holy Spirit, operating in the body of the Christ.

## You Have To Die With Reference To Your Sins

What does this mean, being baptized into the death of Jesus Christ? You are to take note, and understand that Jesus Christ died with reference to the sins of the whole world of mankind. Jesus Christ died with reference to many. You, by deduction, are also willingly die and that on the basis of faith, or on the basis of belief, with reference to your own sins. This you accomplish by going under the baptismal water fully submerged and there you die with reference to your own sins and this in

compliance with Jesus stated requirements.

## You Receive Righteousness, Undeserved Kindness and Everlasting Life By Faith

God's word states, that every person that died is acquitted from all his sins, because that person has died. You, therefore, also are acquitted from all your sins, because you have died in faith, in the likeness of Jesus death, with reference to your own sins. Since you have done this, on the basis of faith, you receive from God righteousness, undeserved kindness and everlasting life. You are a new creation, born of water and Spirit, and thereby, you receive the circumcision of the heart by Spirit, which Spirit was also in Jesus Christ, our Lord.

## By Spirit From God, Which Was Also In Christ, You Are Changed

By your baptism, you receive a transformation of Spirit, being a righteous person, a Christian, having the Spirit, which is from God, the Spirit of which was also in Jesus Christ. You are the progeny of the Christ, and as such, you receive from God Grace and Undeserved Kindness according to the universal Law of Forgiveness. By this Undeserved Kindness, of God, you are perpetually kept

clean of all minor or unintentional sins and you receive from God, the white outer garment that identifies you as deserving to go alive through the Great Tribulation and enter into the Kingdom of God, now so close at hand. You are beloved of God and you have received a changed consciousness. You have changed consciousness, through your baptism, from a consciousness of lack and limitations, to a consciousness of superabundance of good. You are a new creation, indeed.

## *Gods Spirit Is Within And You Believe In One Power, God And Good*

This changed consciousness will manifest in a belief in One Power, the power of God and good, by means of the Spirit, within. By this spirit, within, you have become aware that the Spirit of the Christ is now dwelling within you. The Spirit, which was also in Jesus Christ, causes you to be aware that bad has no power over you. This good has appeared, within, by the Spirit of the Christ, within. Therefore, you no longer believe in two powers, of God and good and in evil and bad, because you have God's eyes and you see with the eyes of the Spirit. Therefore, you no longer recognize the presence of bad, as a power generated by your thoughts. You are Holy and you have changed consciousness, from lack and

124

limitation to a consciousness of super abundance of good.

## You Are To Become Life Conscious By Eating Of The Tree Of Life

At the celebration of the Lords evening meal, at Nisan 14<sup>th</sup>, according to the Jewish calendar, which is the time of the Jewish Passover celebration, you are remembering, and thereby partaking of the unleavened bread and the unfortified wine. These are emblems that stand for the value of the sacrificed righteous body of the Christ. This celebration is in remembrance of the broken body of the Christ and his sacrificed blood. By eating the bread and drinking the wine, you are in fact partaking and eating of the proverbial Three of Righteousness, which is the untie-typical Tree of Life, which stands for Jesus Christ righteous body. This action causes you to become Life Conscious, and by this you become conscious that you will survive the end of this system of things, never to die at all. You are a new creation, born of water and Spirit, you are the adopted Son or Daughter of God, with an abundance of peace and poise with love and goodwill. By this, you are able to dissolve all negative thought vibrations.

You have changed consciousness to believe in super abundance of good, with Life Consciousness in view,

causing you to have One Power Consciousness, of God and good. Blessed be you, the one with little faith. You are, thereby, preserving alive the soul.

## You Are To Possess One Power Consciousness

What have we learned from this short study? We have learned that we can obtain ‘One Power Consciousness’. We have learned that One Power Consciousness is a game changer. It causes us to be power conscious on the basis of the Spirit, within, the Spirit that is from God, which Spirit was also in Jesus Christ. Through this system of things, we have been subjected to a belief in two powers, of God and evil, and that from the beginning. Now, we have been set free from ignorance to enjoy the freedom that belongs to the children of God.

## We Have Become Conscious Of Power, The Spirit Within

We have become conscious of having power, on the basis of the new belief in One Power, of God and good. That means, we are able to accomplish anything that we desire and it will be delivered. We are happy, because we have taken possession of the perfect square of life with health, wealth, love and perfect self-expressions. We have become conscious of our new identity by the Spirit,

within. Our faith is radiant and strong, and we have come to understand the power, which is behind our faith, the power of which is by the Spirit, within.

*We Are Conscious of Being  
Creators and Sons/Daughters of  
God*

The Law of Attraction has now special meaning for us, because we are conscious of being creators and Sons or Daughters of God, the Almighty. We understand that the Spirit, within, is uncorrupted Holy Spirit, and that Spirit does not know the aspect of evil and bad. That Spirit is from God, the Father, the Spirit of which was also in Jesus Christ.

As regards power, we have come to know that unlimited power to do what is good is available to us. This causes us to be humbled, indeed, because of the Undeserved Kindness of God, which covers our sins perpetually and any incidental sin is not counted against us, because of the Undeserved Kindness of God, or, to use another expression, due to the universal Law of Forgiveness.

*We Offer Comfort And Hope On  
The Basis OF The Love Of God*

We are able to help our fellow man, by the Spirit, within,  
127

and we offer comfort and hope to anyone, on the basis of the love of God, which is expressed through the ransom sacrifice of the righteous life, of God's Son, Jesus Christ. This Son of God, Jesus Christ, has been raised to heavenly glory 50 days after His resurrection from the dead. He is now our heavenly King, in waiting, to take up Ruler-ship in the Kingdom of God. In the Kingdom of God, Jesus Christ will rule for a thousand years over resurrected mankind, from his heavenly abode, ruling over mankind on this earth.

There are also those who have part of the first resurrection. These are faithful ones number 144000 and they are called associated Kings and Priest's of Jesus, ruling with Christ Jesus from the heavenly Kingdom government of God. Theirs is a heavenly resurrection, which precedes the resurrection, onto a cleansed earth, of the righteous and the unrighteous of those who are sleeping in death in the common grave of mankind.

This is the hope of humanity, of all those that have lived and died and who are now in the common grave of mankind, these are waiting to be resurrected by Jesus Christ. This is not a resurrection to live in heavenly glory, no, but this is a resurrection into a cleansed and restored earth. There we will be reunited with our loved ones, to enjoy life without being conscious of anything bad. We will become conscious of One Power, which is God Power, and that power will bring an abundance of

good. There will no longer be any want.

At the end of one thousand years, of Kingdom Rule, under our King, Jesus Christ, the Christ will finally have conquered death for everyone that is alive. The prophetic word found in the Bible, which indicated without any doubt that at the end, Jesus Christ shall hand all ruling authority back to his Father. Thereafter, God, the Almighty, will have received all things in order for all things to be all things to God.

All humanity will have attained to everlasting life. Those of us, who are alive at the time of Gods ‘Day of Judgment’ they have the prospect never to die at all. They will go alive through the time of great trouble, now so close at hand. They are the ones who have survived on the basis of faith. As a result of their faith, some have the privilege to be chosen, to become Foundation Stones in the Kingdom of God. In that capacity, we are honored to fulfill that role in the new earth, and by this we will become examples of faith, as the ones that have survived the Great Day of God, the Almighty, at Armageddon.

May we become humbled and bend our knees in gratitude, as we perceive the glory, the splendor, the honor and the power of having received this understanding at this critical juncture in time. May all of us, who take this message to heart, be blessed as children

of God, being the progeny of the Christ, and the offspring of the Last Adam?

Chapter 5

Concluding  
Thought

## *A Reflection*

We have come to know the importance of self-control and as a result of ignorance, within; we will time and again fail in our effort to bring about the good we desire. We have learned that we have the need to become conscious of power, in order to display self-control, however, this power is fleeting, indeed, if we continue to believe in two powers, of God and evil. It is by God power that we are able to change our thoughts and our consciousness to bring about only what is good and beneficial. Here, the use of affirmations is very helpful, in that they are designed to address the spiritual man, within.

## *We See Ourselves as The Christ, within*

To make progress, toward change, will require the change of the man we are, within. This would include the change of our thought patterns and the change in our verbal expressions. This requirement is reminding us of the expression ‘you reap what you sow’. In the discussion of this publication we were put wise, to use only words and expressions that are in compliance with our believe system. That would include, understanding and holding of great value, the man we are, within. We will always express ourselves in the way we see ourselves.

The proverbial saying has come true, for us, when it states: whatsoever you think about this you will also bring about. This statement underwrites the fact that we are first and foremost creators made in Gods image and likeness. We are from God, fallen, indeed. But now that we have come to understand ‘the I’, understanding who we are, within, we see ourselves no longer as fallen men, but rather, we see ourselves as the Christ, within.

## *At This Time, Christ Has The Power to reconcile us To God*

Over a long period of time and by our isolation from the source of all power and wisdom, by the love of God, things are changing and the changes we do expect are coming sooner that we imagine. Time is not on our side, and therefore, we must be alert to the teachings and the enlightenment coming from the pages of this book. It is a long time ago that the Messiah, or the Christ, made his debut on earth for the purpose of the reconciliation, between man and God, on the basis of faith.

## *Not Many Have The Faith That Can Preserve Alive its Owner*

The faith, that can preserve alive its owner, is a God given faith, which comes to us by means of Spirit, which

is the Spirit from God, the Spirit of which was also in Jesus Christ. By this faith, we have become beloved of God and we are blessed, indeed. However, today, not many of those who are Christians, in name only, have the faith that can preserve alive its owner. We cannot afford to be ignorant with reference to God's requirements, in respect of our faith. Our faith must be such, that we see the one who is invisible. This is the faith that was also manifest in case of Abraham. He did not hold back his only son, Isaac, but was willing to offer up his only son, as a sacrifice, to God. Off course, we know that Abraham, as good as offered up his son, as a sacrifice, to God, because Abraham believed that God could bring his son back from the dead. Instead of Abraham sacrificing his Son, God accepted what Abraham had done, this being sufficient for God and God provided a suitable alternative sacrifice, by indicating a goat caught in the thickets, as being that suitable offering.

## *We Need The Faith Of Abraham, The Father Of those Having Faith*

Abraham had faith that God could raise his son from the dead, and that belief was based on a One Power Consciousness, which was based on a belief in one power, God and good. This belief met with God's approval. This was a display of faith that serves as an

example to all of us, as we reflect on our own faith, when we decide to die in faith, in the likeness of the death of Jesus Christ. Christ died, with reference to the sins of the world, of mankind. We in turn die with reference to our own sins, and that is an act of faith that meets with God's approval. Abraham is called the father of all those having faith. By our act of faith, we can preserve alive the soul.

## We Live In The Best And The Worst Time To Behold The Systems Fall

Here, we have come to realize that change is essential, if we want to survive the end game of this system of things. We are living, in the best and in the worst time, in mankind long history. On the one hand, we are able, by the power of choice, to display the faith that can preserve alive the owner. By this faith, we may have the privilege to be viewed, by God, as being worthy of His blessings, and thereby, become foundation stones in the Kingdom of God, with Christ as King. This plays out in the finality in the earthly realm of the Kingdom of God. On the other hand, we may face the end game of this system of things with a belief in two powers, of God and evil. Thereby, we may become subject to God's judgment of the nations, with possible destruction, with a system that is bad, which is falling away by its own weight.

## Remember The Wife Of Lot

This is the time of sober contemplation of all the facts considered in this publication. We want to remember the wife of Lot, as a character of Bible history. Lot's wife was privileged, by God's mercy, to go alive through the impending destruction of a system of things that was about to fall away by its own weight of badness. Lot's wife has come to be enlightened, to know that looking back to see the destruction of Sodom and Gomorrah was an act of disobedience and a gross lack of faith. Like all the people of Sodom and Gomorrah, Lot's wife believed in two powers of God and evil. However, by an intervention from God, Lot's wife was made aware to see only one power, God and good. That good would come to her by preserving alive of her soul, through a time of total destruction that was about to befall the cities of Sodom and Gomorrah.

By an act of God, Lot's family received a visit from two handsome strangers. These strangers proved to be God's angelic messengers, who had come in human form, who were sent to make Lot aware of the impending destruction of the two cities, because of its depravity and badness. Due to the urgency of the timing of the event, Lot and his wife were urged to leave all their belongings behind and follow the two messengers of God, to the God directed place of safety. Lot was a righteous man and he

showed obedience to comply with the God given directive. This directive required of Lot and his wife not to be looking back and not to stand still, while they were on the road to safety.

During the destruction of the two cities, which included the downpour of fire and sulfur, from heaven, Lot's wife looked back to see the destruction of the cities and of the bad that was within. Lot's wife failed to show faith and obedience to the instruction received by the two strangers, and she died instantly, she became a pillar of salt.

What can we learn from this calamity, which befell the wife of Lot? Lot's wife failed to follow the lead of her husband and she failed to follow the direction given by the two messengers of the true God, and she failed to see only one power, which was God and good. Her salvation depended on showing faith and belief in One Power, God and good, because that salvation was an act of God and that act of God was coming from the Plane of the Absolute, it was indisputable, it had to be obeyed by faith. Lot's wife held onto the belief in two powers, God and evil. This belief was part of her sinful make-up and it was also the belief of the people of Sodom and Gomorrah. By this belief in two powers, Lot's wife used to bring about the good and the bad. But, being now on the way of God directed safety, she had become subject to the source of all power, which is God and good. That meant that any command, from that source, had to be obeyed in faith, in

order to survive. Lot's wife chose to look back to see the destruction, and thereby, bad is what she attracted to herself and it killed her, she paid with her life for her lack of faith.

## At The Day Of Destruction Of This System Of Things We See Only The Good

What do we learn from this account, of Lot and His wife? Well, we are also invited to go alive through the end of this system of things, which will prove to be indeed a terrible time of mayhem and destruction. We are, and we will be, under the care and protection of God, by means of Jesus Christ, our King, High priest and Leader. We also are encouraged not to hold onto a belief in two powers, of God and evil, because of the Spirit of the Christ, within. We are privileged to have become enlightened to understand the futility of a belief in two powers, of God and evil. We know that whatsoever we think about this we bring about. This applies in particular to cultivating what is bad. God views the person, who has received the Spirit from God, which Spirit was also in Jesus Christ, as being clean. Such a person, who is a Christian, cannot bring bad into existence by his clean thoughts, because, such a person believes in One Power, God and good. A belief in two powers, of God and evil, is

no longer part of the consciousness of the new creation, because we have received changed consciousness. On the basis of this understanding, we have the faith to see only what God sees and that is only good. We have acquired singleness of mind, and by this, we see only what God sees and that is only good. This makes us Christ-like, being the progeny of the Christ, and thereby, we will be blessed with super abundance of good.

## *You Have Changed To Have The Christ Within*

There is a time for every thing under the sun, a time to laugh and a time to cry, a time sow and a time to reap, but for us this is a time to realize who we are, within. You are encouraged to treasure this publication and read the context of this book often. By doing this, in conjunction with your reading of the Bible, you will indeed prosper. You have changed, from a consciousness of two powers of good and bad, to a belief in One Power, of God and good.
