One Power Consciousness

Volume 11

The
DAWN

MANFRED H. E. ROHDE

The Dawn of a New Era has come to be?
The belief in two Powers must go and so it
must be; bad can be sustained no more,
this we, indeed, can see.

There is mayhem in the streets, there is no
peace; there is Chaos everywhere and no
release. The way of the world is to be no
more; it is going to be gone forever, right
down to the core.

Embrace the dawn of splendor and of
light? You see the religious harlot riding
the Beast, but for a moment you see her,
and then she is no more.

The system of the world is dark indeed; it
cannot be sustained; by its own weight it
will fall, it can no longer be maintained.

One Power Consciousness is our sojourn;
it destroys the darkness and brings in
the dawn. Blessed are the children of the
dawn, they are the children of the light;
they are in the light, they have Life.

Prologue

The day has come, and it is now that change will manifest before our eyes. The time has come for the law of non-resistance, where bad has been weight on the scales of universal justices and the world of mankind has been found wanting.

Heavy, the world of mankind has come to be, under the weight of its own badness. It can no longer be maintained. There is anxiety, there is turmoil, there is mayhem in the streets and the ruling authorities do not know the way out. They are united in doing what is bad and they have surrounded themselves with the intelligent ones of this world. There is no wisdom and there is no understanding that can lead to peace and security. By their own weight they will fall.

But you, the one with little faith, you will prevail. You will go, but for a moment, into the inner chamber of your protective environment. There, you will keep the

commandments of God and the faith of Jesus Christ. You have peace and poise, in abundance, with love and goodwill and by means of this, you will be able to dissolve all negative thought vibrations. You will have peace.

Let us go up to the mountain of our God and there you will be instructed to forge your swords into pruning hooks and there you will learn war no more. You will be guided and led to fountains of waters of life with health, wealth, love and perfect self-expressions. You will prove to be desirable, in God's eyes, and the love of God will cover your transgressions by means of the undeserved kindness of God. You are clean and Holy, in God's sight and you have been declared to be a Son, or a Daughter, of God; and whatsoever you desire, this you shall also have and that at the time of asking and it will be given to you.

Blessed are you, who hear what the Spirit says to the assembled Holy ones. You will enter and see the Kingdom of God.

Foreword

There is darkness everywhere, before the dawn of a new age and there are expectations of beautiful things to come. The imagination of man; his creative thoughts are focused upon the things that must take place. Is it for nothing that we have arrived at this stage of mans existence? Unlimited power is at play and mankind is finding itself in an agitated state. Where are we to go, what is our destiny? Awake all you dreamers. Get yourself ready and be in eager expectation of the things that must come upon the inhabited earth.

The Dawn Of A New Age Is Upon Us

The dawn of a new age is upon us and who is there that

is welcoming the new day? Humanity, in general, is asleep in their ignorance and the religious fraternity is leading humanity in the way of error. Man is finding himself to be in an agitated state; there is uproar among the populations, there is a cry for help. Many are searching for a new way, for a new life, for a new destiny, but, there is no light of understanding, there is darkness all around. The emancipation of man is at hand, but who is there to welcome the dawn of this new era? There are indeed many who want to add to our understanding of destiny, but to no avail, there is dense darkness all around. There is no helper among those who think they are wise.

Where Do We Go From Here?

Where do we go from here? Religion has failed us in our search for a better understanding of destiny, steeped in error and plagued with wickedness and sin, where are the leaders of this world, the men of understanding of destiny? There are some who make known their limited understanding by a fearful explanation of human destiny. They are painting a picture of doom and gloom and frightening the few who want to believe.

There Is The Dawn Of A New Day

There is the coming of a new day; there is the dawn of something new, big, glorious and beautiful, beyond human comprehension. There is a way of peace and poise with love and goodwill. There is a way, the way of Universal Mind, or, the way of Infinite Spirit, the way of God, and that way is the way of goodness and of power, the way of wisdom and success. Now is the time to pay attention to what is coming upon the inhabited earth. Now is the time to embrace lasting change, which is the way of lifting up the man of little means to a position of glory and hope; the manifestation of Holiness and the understanding of universal laws.

Let us Learn war No More

This is the coming of the dawn, of a new age and you are invited to share in the splendor and the glory that is to be had by men of ordinary means. Come and let us go up to the mountain of our God, to be instructed about His ways. Let us learn to beat our swords into plowshares and our spears into pruning hooks. Let us learn war no more. Wake up all you lovers of what is upright and good.

*The System We Have Created is
Lacking in Love*

The nations have kept us in ignorance, by a belief in two powers, of God and evil. But the new thought is to embrace the new belief, a belief in One Power, believing in only God and good. Have we not come to know that whatsoever we think about, this we also bring about? We have been thinking lack and limitation from the very beginning of man, and thereby, we have created this system of ours, which we call modern society. Well, let's be frank, modern society has failed us in so many ways. The system we have created no longer works for the benefit of the greater whole. It completely lacks in love.

Blessings For The Man Of Faith

The sky of destiny is getting brighter and brighter, and therefore, the call is getting out: rise all you able bodied men and women and pay attention to the things coming upon the inhabited earth as a blessing of extraordinary proportions. Get ready to share in the bounty of all the good things that will be released for the benefit of you the reader, the man of faith, building the faith, which can preserve alive its owner.

*The Thinker Is Addressed To Share
In The Abundance Of What Is
Good.*

The thinker is addressed to share in the abundance of good and that is to be made known to our fellow man. The nations are in a state of agitation and the problems they are facing are getting worse. For those who are in search of the good, there is a way for them; this is the way, the way of Holiness and of goodness. Let us gather together the ones upright in heart, those who are searching for answers to all the problems facing mankind. Beware of those in power, for them there is no love for what is upright and good, they have one thing on their mind and that is maintaining the status quo and safeguarding their position of power and control.

*Do Not Be Afraid, Because
Goodness Itself Will Safeguard
You*

The dawn of a new era is upon us. Rise up all you lovers of life and of what is good. Kiss the Son and be happy, because this is the time of great things that must take place. Do not be afraid of anything, because goodness itself will safeguard you. You will see the power of Holiness making its debut, as you behold the crumbling of powerful human institutions. They are worth nothing at all; they have failed to deliver a better system of governance, they have failed to work for the benefit of the greater whole.

Get Ready To Receive Of An Abundance Of What Is Good

Universal Mind is on the move with blessings until there is no more want. The new dispensation is readying itself to display the constitution of love that will open the floodgates of prosperity to the point of overflowing. Get yourself ready, to receive of the abundance of all that is good, and partake of the love of God, or Universal Mind. The dawn is heralding a magnificent day of peace and security, with health and wealth, with super abundance of good, the restoration of the earth to its God given glory and splendor. You are invited to be the full beneficiary of the blessings of God until there is no more want.

ONE POWER CONSCIOUSNESS — THE DAWN

Notes:

Chapter 1

The Progeny of
Christ

Engage In The Reading Of Gods Word

You are acquiring accurate knowledge of the Christ. This you do by gaining understanding of universal principles and learn to live by them. It is necessary to engage in the reading of God's Word, the Bible, acquire knowledge and pray for understanding and wisdom. You must come to appreciate that if a passage in this publication is difficult to understand, at first, you must not give up. Rather, read the passage again and again until the necessary brain cells have been formed with which you are able to understand the things focused on.

God The Almighty Is The Only True God

After a reasonable time of study, you become aware of the principles surrounding the teachings of Christianity. One of the most important facts, to make your own, is the understanding that God, the Almighty, is the only true God, the One Power, and his Only Begotten Son is the Word, or spokesman of God. Through this one, all other creatures including Spirit creations came into existence. He is rightly called the Word, or the spokesman of God.

Holy Spirit In Man Is Differentiated Spirit From God

The spirit, being the operating principle of God, operating in man, is differentiated spirit from God, which is given to righteous and free moral agent man. Spirit is the operating principle in man and is activated by thoughts. Holy Spirit, in man, has oneness with God's Spirit, because all spirit is one Spirit with God. Holy Spirit will deliver to you the request of your heart and keeps your body functioning in the best possible way according to the divine design of your life. Holy Spirit is Light to every cell in your body. By Holy Spirit you are in the Light, and thereby, you are part of the Light of God.

A Righteous One For Many Unrighteous Ones

Because you have taken in accurate knowledge from God's Word, the Bible, you are encouraged to exercise faith in the ransom sacrifice of Jesus Christ's righteous body. Now, mankind as a whole is alienated from God, because of sin, by not meeting God's standard of righteousness. Therefore, it was necessary for the Christ come to be wholly man and to die a sacrificial death, a righteous one for many unrighteousness ones. This is in

compliance with the Law of Compensation, which requires satisfying a life for a life principle. Having the understanding that we are from God, we are aware that a true Son of God has everlasting life in him. Now, in our case, this gift of everlasting life was lost, at the beginning, when our first parents transgressed and failed in their loyalty and obedience to God's Word. By man, reasoning on the rightfulness of God's commandments, the reasoning of which was based on selfish desire, man changed consciousness, from a consciousness of abundance of good to a consciousness of lack and limitation, leading to fear, insecurity, sickness and death.

Reaching Out For The New Life

As an act of love, by means of Universal Mind, or God, the Word, God's Son, became flesh and resided among men, he is the only righteous man after the fall of Adam. We have come to know the Son of God, as being the Christ, who was born of women, as an act of God's love, for the salvation of mankind. This love is now at work, trying to lead you to change, and to help you to reach out to the new life, which has the power to lead everyone to obtain a new consciousness, of super abundance of good, as children of God.

The Last Adam Has Become

Known As The Eternal Father

By reading the prophesy of the 70 weeks of years, as recorded in the Bible and spoken of by the Prophet Daniel, your understanding will grow to appreciate that Jesus Christ is indeed the Last Adam, and the Eternal Father, the Wonderful Councilor, the Prince of Peace and the Mighty God. By sacrificing His righteous life for the sins of the world of mankind, known to us as the ransom sacrifice of God, the Christ has become to us a life giving Spirit, giving us his Spirit, the Spirit of which returned to God at the time of Christ's death. The Christ died for us, leaving us with the precious gift of his Spirit, which is God's to give, to any man or woman on the basis of faith. The Christ died for the sins of all mankind and he was raised up from the dead, with a new Spirit, the Spirit of Holiness, to become a Spirit person, suitable to inherit heaven, being Christ the mighty King, in waiting, for the benefit of the Kingdom of God on earth. This Kingdom of God is to be established here, on this earth, with Christ ruling as a mighty King, from heaven, over resurrected mankind.

You Desire To Die In The Likeness Of Christ's Sacrificial Death

Jesus Christ sacrificed his righteous human life for you,

the one with little faith, so that you can have imputed righteousness, undeserved kindness and everlasting life, as an adopted Son, or Daughter, of God. Based on this understanding, you, by faith, are getting baptized into the likeness of the death of Jesus Christ, because Christ died a sacrificial death. He died with reference to sin, the sins of the world of mankind. Therefore, you in turn, on the basis of faith, desire to die in Christ, in the likeness of Christ's sacrificial death, and thereby, you choose to die willingly, a spiritual death, with reference to your own sins.

Christ Died For You And You Are Becoming The Progeny Of The Christ

You are raised in the likeness of Christ's resurrection. Christ died with reference to the sins of the world, of mankind; therefore, you also die with reference to your own sin, in the likeness of Christ's death. Christ was raised with reference to the Spirit, from God, and therefore, you also have the prospect to be raised up with reference to the Spirit from God, which Spirit was also in Christ Jesus, our Lord. Christ is the Spiritual Son of God, who sacrificed his righteous life for you, and thereby, you, by faith, have the prospect to become the progeny of the Christ, the offspring of the Last Adam, and by this, you have the prospect to become the

21

adopted Son, or Daughter, of God, by the Spirit of the Christ, within.

*At The Time Of Your Baptism,
You Receive The Spirit, Which
Was Also In Jesus Christ*

You are raised in the likeness of Christ's resurrection. This you can say with confidence, because Christ has died with reference to the sins of the world, and by this act, Christ has made his righteous life available to anyone that desires to be set free from the accusation of sin and death. At your baptism, you die in the likeness of Christ's death, by going under the baptismal waters. As you come up from the baptismal waters, you are raised up in the likeness of Christ's resurrection, in that you come alive with reference to the Spirit from God, which Spirit was previously also in Christ Jesus, our Lord. The Spirit of the Christ is now, within you, thereby, you have become like Christ, having his Spirit, within, and thereby, you are a Christian.

*You are Acquitted from all Sin
Because You Have Died As To Sin*

By your baptism, you have become conscious that you have been acquitted from all your sins, because you have

died, as to sin. In support of this, the Bible states that a person that has died has been acquitted from all his sins. Now, you are free of sin, because you have died as to sin. The power of sin has been broken in your behalf. This was possible due to your faith in the ransom sacrifice of the righteous life of Jesus Christ, because, by your baptism you change consciousness, and thereby, you are what you think and what you believe. This acquittal from sin makes you free of sin, which allows God to make you come alive, as you come up from the baptismal waters, by giving you his Spirit, the Spirit of which was also previously in Jesus Christ. You are a new creation, indeed,

The Spirit, which was given to Adam Returns To God At The Time Of Your Dying In Christ

At the time of your baptism, the spirit, which was from Adam, corrupted indeed, and passed on to succeeding offspring through the Law of Procreation? That Spirit returns to God who originally gave it. This takes place at the time of your natural death, or as in this case, at the time of your baptism. This is a remarkable understanding, which requires faith that leads to changed consciousness. The release of the spirit, your spirit, which is from Adam, returns to God who gave it. It was Holy Spirit, given to Adam, at the beginning; the

Holy Spirit in Adam became corrupted by forced desire directed in wrong channels of thought, which took place when Eve and Adam sinned. Therefore, you are set free from the domination of sin and death, because the corrupted spirit, within, returned to God the Father who originally gave it.

You Are A New Creation, Born Of Water And Spirit

At the time of your baptism, having been set free from sin, you receive from God, of His Spirit, which was also in Christ. You are a new creation born of water and Spirit, according to the Bible, recorded for us at the book of John at chapter 3. By partaking of the bread and the wine, at the celebration of the memorial of Christ's death, which coincides with the Jewish celebration of the Passover, you enter into an agreement with God, for a Kingdom, with Christ as King. You thereby, have the prospect to have either a heavenly resurrection, to rule with Christ as associate kings and Priest's. On the other hand, you enter into the Kingdom of God on earth, as a righteous person, with Christ as King, ruling over mankind and bringing mankind to righteousness, with God.

You Love God and You Love Your

Neighbor As Yourself

On the basis of consciousness, being a new creation, born of water and Spirit, God declares you righteous, He gives righteousness to you, as an act of God's Undeserved Kindness and love. You have become conscious of this change, and this causes you to love God and His Christ with all your heart, with all your soul and with all your vital energy and you love your neighbor as you love yourself.

You Are Declared Clean Due to The Undeserved Kindness Of God

This change allows you to receive from God undeserved kindness, by means of which you can be declared clean before God. You are Holy, and as a result of this change, you have the prospect to receive everlasting life, as a gift from God, although you may have an ailing body, you have nevertheless a clean conscience, causing you to live forever, in Spirit. The Spirit in you has everlasting life and that Spirit will bring to you the desire of your heart, which must include health, wealth, love and a consciousness of everlasting life. Should you die before the coming of the Kingdom of God, due to a weak and ailing body, which has been damaged by sin, or due to old age, you will have a resurrection, in the last days, to come alive in the Kingdom of God as a righteous one,

having God's Spirit, which was also in Christ Jesus, our Lord.

Having Received of the Undeserved Kindness Of God, You No Longer willfully sin

You are now in receipt of the circumcision of the heart, by Spirit, having the Spirit, within, the Spirit of which was also in Jesus Christ, and you are thereby, declared to be clean. The urges to commit sins are being mitigated by having become conscious of the undeserved kindness of God. Remember, the undeserved kindness of God has the power to mitigate the Law of Consequences, causing you to become conscious of being clean. However, should you willfully practice sin, and cultivating a strong desire for sin, by means of which you come to practice sin, then, there can no longer be any redemption for sin available for you, otherwise the Christ will have to die many times, on account of your sins. This is not possible, and therefore, such willful sinner will die the second death, without the hope of a resurrection.

You Have Changed Consciousness

You have changed consciousness, from a consciousness of lack and limitations to a consciousness of abundance

of all good. You are a new creation and you are conscious that you can bring about an abundance of good, which is supported by principle. As a result of this, you are declared to be clean before God, the Father, and God declares you to be Holy. You are a Son, or Daughter, of God and you call God, Father. You have entered into a Father Son/Daughter relationship with God and you will be blessed with happiness and with peace.

Now you are able to enter into and see the Kingdom of God, to be subject to the kingdom rule by means of Jesus Christ, our King, High Priest and Leader. This shall be a rule for 1000years of righteousness and peace.

You have become the progeny of the Christ, and you have the Spirit from God, which Spirit was also in Jesus Christ. In addition to this, you have also put on the Christ, because Christ died for you and He set you free from the accusation of sin and death. You are a Christian, clean and Holy, provided you do not willfully practice sin.

You Are No Part Of The World

You are no part of the world, because God has chosen you to be out of this world, because of changed consciousness and because of changed thinking. You can no longer identify with the world, whose thinking is

based on a lack mentality. You have become Holy and righteous and you have received a consciousness of super abundance of what is clean and good. You believe no longer in two powers, the power of God and evil, rather, you believe in one power, which is God and good. Christ Jesus has become to you the last Adam, the Wonderful Councilor, the Eternal Father, the Prince of Peace and the Mighty God. He is your King, High Priest and Leader, the King in the Kingdom of God, ruling over resurrected mankind.

Christ Has Become To You The Last Adam

Christ has become to you the life giver, the Last Adam. You live, because Christ Jesus lives in you, by his Spirit, which is from God. You are the progeny of the Christ.

Now, you are able to love, because God loved you first when God gave his only begotten Son as a propitiatory ransom sacrifice for your sins. You now love God with all your heart and soul, with all your vital energy and with your entire mind and you love your neighbor as you love yourself. You are the progeny of the Christ, forever, and that to God's praise and glory into all eternity, even forever.

ONE POWER CONSCIOUSNESS — THE DAWN

Notes:

Chapter 2

Thinking Outside Of The Box

Thinking For The Benefit Of The Greater whole

From the beginning of man, the prospect for mankind was oneness with God, having in subjection all living things on earth. This meant that man, having been made in the image and likeness of God, had to be like God, knowing good and giving no place to what is bad, because bad is nothing, it has no principle and it can always be destroyed by an additional good. Man was conscious of having abundance of what is good and whatsoever he thinks about he also brings about, he is a righteous thinker. By thought, man created whatever he desired, but for a Son of God, that would mean thinking thoughts based on universal principles and natural law, thinking for the good and for the benefit of the greater whole. That would require additional knowledge, which God provided by means of the tree of the knowledge of good and bad, which was indicated in the middle of their Garden Home, in Eden.

Based On Love, God Provided The Tree Of The Knowledge of Good and Bad

Now, man had to be introduced to the creative law of the universe, which is the Law of Attraction. This law is

totally impartial. It is neither good nor is it bad, it is neither righteous nor is it wicked, and in fact the law of Attraction is neutral. Through this law, man could create whatever he desired, whether it was good or bad, it mattered not to the law. However, it was and is a matter of principle to God, the Supreme head of man. For this reason, God placed the proverbial tree of the knowledge of good and bad into the Garden Home of man, and God attached to it the prohibition not to touch and not to eat from its fruitage, in order for man not die. Man had to understand, that desire, for what has been identified as being bad, had to be avoided, because there was no place for it in the perfect order of man. By touching something, to which bad was attached, man would have given his support to that which is bad, and that would require power to do bad. The power required to do bad cannot come from God. God is limited to the doing of that which is good, creative and beneficial for the greater good. For perfect man there is only one power and that power is God and good.

A Commandment By God Had To be Obeyed By Faith

This tree of the knowledge of good and bad required clear thinking ability with respect of the purpose of such a God given limitation. Man was a free moral agent and that meant that he could do what he termed to be good.

The worst thing that could be done, by perfect man, was to cultivate strong desire for the fruitage of the tree, and strong desire directed in wrong channels of thought will lead to the fall of man, namely alienation from the source of all power and life. Here we need to remember that bad is destructive and good is creative. As a creator, made in the image and likeness of God, man would not ever want to entertain any desire for what is termed bad. In Fact, man could not bring himself to do what is bad, because, man did not have the power to do what is bad. Bad has no principle, and bad has therefore no right to exist in the consciousness of perfect man, it has no power at all and it can always be destroyed by additional good.

*Holy Spirit Became Corrupted
And Through Procreation Spirit
Was passed To All Of Mankind*

Here we need to consider the fact that the Spirit in man, which is in support of the fleshly body, was at the beginning Holy Spirit, which is from God, the Spirit of which was operative in Adam, when walking as a righteous man, in the flesh. This Spirit, within, was the creative principle in man and it was perfect and would only bring about perfect conditions for man, based on perfect thoughts. By means of Spirit, man had unimpeded access to the Father, God, to accomplish whatever good man desired. This was, at the time, in

compliance with natural laws. By the original transgression in Eden, the spirit in man became corrupted by strong desire directed in wrong channels of thoughts, to do what is bad. The 'bad', after it has been accomplished, became also manifest in Adams offspring, through the law of genetics, or through procreation. Adam could only pass on to his offspring that what he himself had to give, that was his spirit, which had become corrupted, and therefore, all of us are alienated from God, the Father, we are all dying due to a consciousness of lack and limitation, or due to sin, which is lawlessness.

Corrupted Spirit In Man Leads To anxiety, Fear, Sickness And Death

Man changed consciousness from a consciousness of abundance of all good, to a consciousness of lack and limitations. Man's ability changed, from thinking outside of the box to thinking inside of the box. This box can be understood to mean mans environment or his sphere of understanding. All of us are affected by this limited way of thinking, leading to error, weakness, sickness and finally death.

We Have To Learn To Think Outside Of The box

However, there are schools of thought, who advocate thinking outside of the box. Here we need to consider the essence of the matter. To think outside of the box requires more than a mere desire to expand ones thinking in a superficial way. It requires insight into the workings of God and that of Universal Mind. It requires compliance with physical, mental, moral, spiritual and natural laws.

Is There Another Way That Needs Our Most Urgent Attention?

What we have seen, in the wider context of this discussion is that we have a desire to think outside of the box, but because of our inherent lack mentality we gravitate time and again to think of the here and now, the visible and physical realities of life. This shows that we are focusing on the limitations, which are manifest in the physical, at all levels of our lives. What then is the case? Are we eternally flawed and condemned, to live our pitiful life, with all the pain and suffering, which it brings about? Or, is there another way that may need our most urgent attention?

Powers Of Understanding Never Before Realized

Indeed, we are about to be set free from our limiting thoughts, which has brought about so much pain and suffering to mankind. We are about to be enlightened to see the bigger picture of our lives, which will enable us to reach out to powers of understanding never before realized, or attained. We have the prospect to become super humans, in our abilities to shape our future, for the benefit of mankind as a whole. This aspect of our lives will of course be with God's blessings, through Jesus Christ our Lord.

Adam Could Have Affected The Destiny Of Man For The Good Of All

Let us go back to the beginning of man, to the time of the original transgression in the Garden of Eden. Adam could have affected the destiny of mankind by realizing his oneness with God, the Father. He could have rejected to think inside of the box, when fully aware that he had the ability to think outside the box. He transgressed against the arrangement of God and he entered the age of limited thinkers, with all the bad that was associated with this way.

Adam Changed Consciousness From Abundance To Lack

Adam changed consciousness from a consciousness of abundance of all good to a consciousness of lack and limitation, with sickness, ageing and finally death. This changed consciousness resulted in man's inability to think outside of the box. We now realize the demise that was brought about by Adams original transgression and sin. All of us have inherited this lack mentality, and that is what must change. If we want to have a share in a better future for mankind, then all of us need to learn how to think outside of the box.

Adam Became Conscious That He Was Naked

Let us consider the facts. How do we know that Adams sin has brought about a change of consciousness? Adam changed from a consciousness of super abundance of all good, to a consciousness of lack and limitation, with sickness and death? Well, remember, that after eating of the fruitage of the tree of the knowledge of good and bad, Adam became instantly conscious that he was naked. When God called on Adam, during the breezy part of the day, while in the Garden Home, Adam did not answer God and when questioned later that day by God, Adam said: 'I am ashamed, because I am naked'. Then God said to Adam; 'who told you that you are naked'? Have you eaten from the tree, of which I told you not to eat'? Therefore, here we have the first

account of Adams lack mentality, when he took action in support of his lack mentality and Adam covered his loins, because, he realized, and he had become conscious that he was naked.

It Was Adam That Caused His Own Death through An Act Of Transgression

Therefore, it was not God who put Adam to death, no; it was Adam who caused his own death, when he partook of something to which the prospect of death was attached. From this we can conclude that all of us are dying, because the spirit, which has been given to us, through Adam, by an act of transference, or by procreation, that spirit had become corrupted by strong desire directed in wrong channels of thought; and that corruption is in all of us. From that fateful day onward, we lost unimpeded access to the source of all power, which is God, the Father, and we became subject to a consciousness of lack and limitation, leading, in the finality, to death.

The Spiritual World Has Been Cut Off From Our Environment

This fall also led to our inability to think outside the box.

Here the proverbial box can be understood to be our sphere of physical, mental and spiritual operation. In order to think outside of the box, we need to have access to the power of God, which must include the power of love, justice and wisdom. This access to God-Power has been blocked by our changed consciousness and we became obsessed with the physical, the seen manifestations of our world. The spiritual world, so to speak, was cut off from our environment on the basis of our lack mentality.

The More Important Realities Are Not The Physical, but, Rather The Spiritual Realities

Here on earth, we have explored every conceivable aspect of the material world and we indeed have made amazing inroads into understanding matter, the physical creation, be it animate or inanimate creations. But the things that are in support of the more important realities, these are not the physical, but the spiritual realities. The physical realities are forever changing and there is no constancy. But with God, as stated in the greatest book ever written, there is not a variation of the turning of the shadows.

The Desire For Thinking Man

Must Be For The Spiritual Realities Of Life

Therefore, the desire of thinking man must be for the things not seen, which are the spiritual realities of life, we need to learn how to think outside of the box. Are we here to conclude that we are doomed into bondage to the limitation of the proverbial box, in which we find ourselves, to finally face annihilation, because we have remained unfit for purpose? May that never be the case? It is good to remember that we have been made aware that there is a way out, but not all of us have reached out to this new way. As a result of this inability to think outside of the box, we suffer lack and limitations, which brings to us fear, sickness, violence, uncertainty, insecurities and finally death.

We Are On The Brink Of Unprecedented Growth

What are we to say; is man condemned to futility; not at all, we are on the brink of unprecedented growth and prosperity on the basis of change, which we will want to embrace, if we desire to have any share in the abundance of good, which is to come upon humanity as a whole. Outside of the box there is abundance and the invitation has gone out; come and take your share and

live a life of abundance until there is no more want.

Outside Of The Box Are The Spiritual Realities

The realities, which are outside of the box, are the spiritual realities, which are perfect, dependable and constant. These realities have their origin in God, who loves us, and He cares. This we know, because with God there is omnipotence, omniscience and omnipresence and his cardinal qualities are love, justice wisdom and power. The greatest of these qualities is love. Indeed, love is the constitution of the incoming Kingdom of God and it is this quality, which needs to be cultivated by man.

Outside Of The Box There Is Perfection And Unlimited Possibilities To Do The Good

This requires, an ability to think outside of the box, where there is perfection, unlimited possibilities, with constancy and love. Now, God provided the way out, by means of the Law of Compensation and the Law of Love. This comes to us by an exchange, of the bad for the good, which will bring unprecedented growth and prosperity to mankind.

Change Comes To All Of Us By Means Of Jesus Christ

This comes to us by means of an act of faith in the ransom sacrifice of God's Only Begotten Son, Jesus Christ. It is Jesus Christ who laid down his righteous life in sacrifice, in order for everyone, on the basis of faith in his sacrifice, to have everlasting life. This right to everlasting life is rooted in universal law, the Law of exchange, and the Law of Compensation. A righteous life lost, as in the case of Adams life, needs to be compensated by a righteous life gained, as in the case of Jesus Christ's. This must be so, because a righteous life sacrificed has attached to it the right to eternal life. Therefore, this right to eternal life cannot be lost when it has been sacrificed.

The Righteous Life Is Available To Anyone On The Basis Of Faith

Therefore, God, through Jesus Christ, our Lord, has provided the sacrifice, this righteous life, which is now available to be given to anyone of Adams offspring, on the basis of faith. By thinking outside of the box, you perceive the righteousness and justice of this arrangement, leading you to cultivate a strong desire to obtain the benefit of the sacrifice on the basis of faith.

By An Act Of Faith, You Are Declared Righteous For Life

This faith speaks this way; Christ Jesus died for you, and therefore, you die at the time of your baptism, dying in the likeness of Jesus Christ's death. The Christ died with reference to the sins of the world; a righteous one for many unrighteousness ones. This means, that you, the one desiring to benefit from the ransom sacrifice of Jesus Christ, you willingly, in faith, die in the likeness of Christ's death, by going under the baptismal water, and thereby, you are considered by God as having died. Therefore, a person that has died is acquitted from all his sin, because he has died. As such, this person, on the basis of faith, has been declared free from sin, and a sinless body has the right to everlasting life.

At The Time Of Your Baptism God Gives You His Spirit, Which Was Also In Jesus Christ

What is the case? Are you able to claim the right to this God given eternal life, which is by means of the life that was sacrificed, that of Jesus Christ's? Indeed, it is available to everyone who exercises faith in this ransom sacrifice of the righteous life of Jesus Christ. Remember,

at the time of your physical death, the spirit, which is from Adam, returns to God, who originally gave it. Now, God steps in, at the time of your baptism, and gives you His Spirit, which Spirit was also in Jesus Christ when walking the earth as a man. This causes you to be a new creation, being the progeny of the Christ and the offspring of the Last Adam. As a result of this, God gives you righteousness, undeserved kindness and everlasting life. You have now received a changed consciousness, by means of which you have been freed from lack and limitation, and you have received a consciousness of abundance of all good with everlasting life in view. You are a new creation, indeed.

You Can Now Receive The Circumcision Of The Heart By Spirit

Because of the Spirit, which is from God, the Spirit, which was also in Jesus Christ, our Lord, you receive the circumcision of the heart, by Spirit. You are now clean and holy, and God calls you a Son or Daughter and you call God, Father. But the progenitor is none other than Jesus Christ, who has become to you the Wonderful Councilor, Eternal Father, Prince of Peace and Mighty God according to the scriptural injunction of Isaiah chapter 9.

You Can Enter The Kingdom Of God As A Righteous One, Never To Die At All

You are born of water and Spirit, you are a new creation, indeed, and you shall enter into the Kingdom of God as a righteous one, never to die at all. Should that Day of Judgment arrive in your lifetime, then, you will be privileged to enter into the Kingdom of God, as a righteous one, never to die at all. On the other hand, you may die of old age and receive a resurrection as a righteous one, in the Kingdom of God being subjected under the rule of Jesus Christ, our King, High Priest and leader.

You Love, Because God Loved You First

Therefore, you have been set free from lack and limitations and you are able to think outside of the box, because you have a changed consciousness. In addition, you have the power and the wisdom from God, the Father, to do the things pleasing in His sight and this to Gods glory and praise, forever and ever. Remember, you have the Spirit from God, Holy Spirit, which was also in Jesus Christ. You are from God, and you love, because God loved you first.

By The Power Of Our Imagination We Will Affect Our Future For The Good

You are now able to think in unlimited terms and the Spirit of God, within, which was also in Jesus Christ, our Lord, gives you unimpeded access to the Father. This in turn allows you to grow in wisdom and understanding of the deep things of God. There can no longer be any limitation to our ability to affect the future. Sickness is a matter of the past, and so is ageing and death. By our imagination we are able to shape our future into something wonderful. We will be able to create an abundance of good with love and justice.

We Have Unlimited Power To Do The Things, Which Are Good

We have unlimited power to do things, which are good and for the benefit of the greater whole. Each one of us will be able to create his own environment, with health and wealth and all the good, which can be had. By means of our Spirit, which has been given to us by God, the Father, we are able to bring any and all good things into our lives and pollution and overcrowded cities are to be no more, it will be a thing of the past.

Come And Lets Set Matters Straight

Understanding the above, we are called upon to rally around the call of God; come and let's set matters straight. The time has come, and it is now, that every one that cares reaches out to the things outside of the box and becomes empowered to do the things pleasing in Gods sight. Therefore, let us go up to the mountain of our God and worship him with Spirit and Truth. Spirit is Truth and this Spirit is from God, which Spirit was also in Jesus Christ. By this Spirit, we will be able to have audience with God, the Almighty, to obtain the desires of our clean hearts, which brings about righteousness, goodness, faith, love and power and this to Gods praise and glory today and into all eternity and even forever.

Reach Out To The New Life And Rejoice

Reach out to the new life of plenty, rejoice, and be happy, because you have changed consciousness and you have received understanding of the deep things of God. Your subconscious mind has stored, within, many undesirable things over many years of your life, when you walked in ignorance of the splendor, which is now yours. You have the need to prevent the undesirable

things from surfacing and causing disturbances in your mind and heart and for this reason, you are encouraged to consider the affirmative's, which, when practiced and repeated often, will push undesirable thought forms deep into the subconscious domain of your mind, where they are no longer able to cause disturbances.

The Perfect Square Of Life Brings Perfect Happiness

Chapter 3

The Last Blessing
Rev. 14:13

Blessed Are The Dead Who Die In The Lord From This Time Onward

Blessed are the dead who die in union with the Lord from this time onward. Yes, says the spirit, let them rest from their labors, for the things they did go right with them.

This Is The Last Blessing From God

This is the last blessing, pronounced by Gods angel and we do well to consider the bigger picture in consideration of this blessing. The whole process of salvation is based on Gods love and justice. Today, we are aware that there are about two thousands differing Christian beliefs, each one desiring to please God and have His favor. But we need also to realize that many Christians may not be considered clean, or Holy, when before God. They may have done many charitable deeds, but they may have failed to obtain life status with God, and therefore, they do not have Gods approval for salvation.

The Ones To Be Blessed Are Christians In Need Of Change

They may be those that have not been baptized into Christ's death, or, they have not as yet received from the Father, Gods Spirit, the Spirit of which was also operative in Jesus Christ, our Lord. In addition, some of them may look upon God as a Trinitarian God, together with Jesus Christ and the Holy Spirit; all three are being considered to be One God, as an expression of their faith. On the other hand, they may have done so called good works, but failing to obtain the righteousness by faith. As a result of this shortfall they may not qualify to receive the white outer garment of righteousness (Revelation chapter 7), because they have not been born of water and Spirit, which is the minimum entry requirement, into the Kingdom of God. However, these Christians have one important and powerful quality and that is faith. They have not accepted the mark of the political Wild Beast of the Bible book of Revelation Chapter 13.

These Christians Are Crying Out To God For His Mercy And God Is Listening

Many of these Christian are sincere and they have done many loving and kind deeds, and for them, there is reserved a blessing, at this late hour, because of God's unfathomable love, forbearance, kindness and mercy. They may be crying out to God for salvation and God is

listening. For this reason, and on the basis of love, a blessing awaits these dead ones at the proverbial last hour. These blessed ones have not accepted the mark of the Wild Beast on their right hand, or on their forehead, because they desire salvation and God is taking account of their standing in faith.

Those Who Have Not Sided With The Wild Beast Have Not Received Its Number 666

Here we are brought face to face with the last blessing, during the remaining time, before the judgment of the nations. There are many questions that need an answer. In Revelation 14:12 we hear about the admonition to the Holy ones who have not sided with the Wild Beast and who have not received the mark of the Wild Beast. This mark is the number of the Beast's name and that number is 666.

The Holy Ones Have Received Of Gods Spirit, They need to endure

With respect to the Holy ones, they already have a blessing at this time; they are considered to be part of the group of Holy ones, true Christians, who have received, from God, His Spirit, the Spirit of which was also in

Jesus Christ. They have made their robes white in the blood of the Lamb, according to Revelation Chapter 7. These are the ones who received an encouragement to endure and keep the commandments of God and the faith of Jesus Christ.

There Are Christian's Who Have Not Sided With The Wild Beast

Here we want to be sober-minded, in that there are Christians who have not sided with the Wild Beast, and as a result of this, they have not received the number of its name. These are Christians with a strong desire to please God, but God views these as being dead ones, because they have not, as yet, complied with the entry requirements into the Kingdom of God (John 3:3 & 5).

The Resurrected Of Mankind Are Dead From Gods Point Of View

Here we can reflect on the written word of the book of Revelation, where the writer speaks about the general resurrection of the dead of mankind. These are the righteous and the unrighteous ones that have lived and have died a natural death. These are subject to receive a resurrection, and thereby, they have the prospect to come alive. They, although resurrected, are viewed as

being dead, because they have not as yet come alive, as having received everlasting life, which comes to them at the end of Christ's Kingdom Reign of 1000years. These can only expect to be given everlasting life at the end of Christ's Kingdom reign, when they have been brought to physical, mental and spiritual perfection. For them, this will be a time after the 1000years rule of Jesus Christ in kingdom power. They are under the care of the King, Jesus Christ, to come to have life and to live everlastingly as Gods adopted children.

The Dead Ones of Revelation 14:13 Have Not Complied With God's Kingdom Entry Requirements

This understanding can also be applied to all Christian people, who are standing outside of Gods entry requirements into the kingdom of God, with Jesus Christ as King, High Priest and Leader. This is the case for all those who have not received the mark of the Wild Beast of Revelation. However, they have, nevertheless, not complied with the entry requirements into the kingdom of God. This entry requirement is highlighted for us in John 3:3 & 5, where Nicodemus is speaking to Jesus, a member of the Jewish Sanhedrin, who visited Jesus at night in order to identify who Jesus really is. There, Jesus answered and said: 'Most truly I say to you, unless anyone is born again, he cannot see the kingdom of

59

God'. Furthermore, Jesus also added the saying in verse 5: 'Most truly I say to you, unless anyone is born from water and Spirit, he cannot enter into the kingdom of God'. This needs to be carefully considered by all those who desire to have entry into the kingdom of God, but who are still dead from Gods point of view, prior to God's judgment of the nations.

Not All Christians Have Died In The Lord

Therefore, we can state that God views not all Christians as being Holy and as having attained to the son-ship, or daughter-ship, of God. These have not as yet come alive with reference to the Spirit of God, the Spirit of which was also operative in Jesus Christ, our Lord. They have not died in the Lord, although they have been baptized in the name of the Father, the Son and the Holy Spirit. They have not been born of water and Spirit. In order to be born of water and Spirit, you have to die in the likeness of Jesus death. He, the Christ, died with reference to the sins of the world, and therefore, you also having to die in like manner, dying with reference to your own sins.

At The Time Of Judgment Many Become Aware That They Need

God's Favor

But now, that the Day of Judgment has arrived, many become acutely aware that they are in need of salvation, for which they need God's favor. Because of their situation, being viewed by God as being dead, they may face certain destruction unless they become aware that they have the need to come alive, so to speak, by being born of water and Spirit. Their baptism of long ago may have failed to satisfy God's minimum requirement for salvation. That minimum requirement for salvation demands compliance with being born of water and Spirit. Therefore, being flawed, by not meeting God's requirements for everlasting life, their entry into the kingdom of God is not possible. They are dead and therefore, God reserved for them a blessing by being invited to die in the Lord, from now on, and thereby, they willingly desire to become fully submerged under the baptismal water, where they die in the likeness of Jesus death, and then God will give them His Spirit, the Spirit that was also operative in Jesus Christ. As these Christians come up from the baptismal waters, they are identified as a new creation, born of water and Spirit. As a result of their timeous action, which is based on faith, they receive from God righteousness, undeserved kindness and everlasting life. They are a new Creation, indeed. They have become the progeny of the Christ and the offspring of the Last Adam.

The Dead Ones Have Witnessed The Destruction Of The Harlot, Babylon The Great

These dead ones have previously witnessed the destruction of Babylon the Great, the world empire of false religion, including the destruction of their houses of worship, but God has not recognized them as deserving entry into the Kingdom of God, with Christ as King.

The Holy Ones Are Encouraged To Endure And Display The Faith Of Jesus

The Holy Ones of God have been identified in Revelation 14:12 who have the need for endurance, and through these Holy Ones, they may be given the opportunity to become conscious of needing the blessing, which is available to those who are dead, from God's point of view.

These, So Called, Dead Christians
Have To Comply With The Words
Of Jesus At John 3: 3 & 5

These are Christians, who are being brought face to face with the reality of the words of Jesus Christ, to a Jewish member of the Sanhedrin, namely Nicodemus; these are the ones that are required to give their most urgent attention to the essence of salvation. This is in compliance with the scriptural record, found in the Book of John chapter 3, where it stated that you ‘cannot see or enter into the Kingdom of God, unless you are born, of water and Spirit’.

Survivors Of The Day Of Gods Judgment Have Made Their Robes What In The Blood Of The Lamb

Also, the scripture in Revelation state, that those who survive the Great Tribulation and the Day of God’s wrath, at Armageddon, are standing on the new earth and they have made their outer garments white in the blood of the Lamb. By faith and by God’s undeserved kindness, they have the prospect to become clean and Holy by the Spirit, within.

Survivors Are Happy, Because They Have The Spirit From God

Their dying, in the Lord, signifies that they are clean and they have washed their robes and made them white in

the blood of the lamb. They have received a changed consciousness and they are Holy, having received the approval of God, the Almighty. They are happy, because they have the Spirit from God, the Spirit of which was also previously operative in Jesus Christ, our Lord. They are Christians, born of water and Spirit.

Survivors Have To Die In The Lord In Order To Be Clean

This realization, that there is a need to get a scriptural baptism and die with reference to your own sins, in the likeness of the death of Jesus Christ, applies to the people who will be blessed at this late hour. These are the ones who need to die with reference to their sins, once and for all times, dying in the likeness of the death of the Christ, who died for many unrighteous ones. This understanding, which must lead to corresponding actions of faith, which will result in many of the dead to reach out for this blessing, which the angel announced to John, in the Book of Revelation chapter 14:13.

The Blessed Ones Will With Humility Bow Their Heads And Get Baptized Into Christ's Death

By realizing the need for a blessing, at this late and most

critical hour, before the event of the Judgment of God, these Christians will, with humility and gratitude, bow their head before God, and that of His Christ, and they get baptized in the likeness of Jesus Christ's death. By this action they will be born of water and Spirit and they receive the Spirit from God, the Spirit of which was also in Jesus Christ.

Many Will Reach Out To Receive Of The Last Blessing

Now, having realized the importance of this critical hour, many Christians who have not accepted the mark of the Wild Beast, will reach out for this blessing and happily die in the likeness of Jesus Christ death by dying with reference to their own sins, and then, they receive from God, of His Spirit, the Spirit of which was also in Jesus Christ, when walking on the earth as the sacrificial Lamb of God. By this Spirit, from God, the Spirit of which was also in Christ Jesus, the Father, God, gives to these dead ones imputed righteousness, undeserved kindness and everlasting life.

They Need To Be Born Of Water And Spirit

They have now complied with the scriptural entry

requirement into the Kingdom of God, which has resulted in the need to be born of water and Spirit. They now receive the white outer garment from God, the garments of which have been made white in the blood of the Lamb. They change consciousness, from a consciousness of lack and limitation, with death in view, to a consciousness of super abundance of good, with everlasting life and harmony with God in view.

The Blessed Can Now Rest From Their Labors But Their Deeds Will Follow Them

The Spirit underwrites this event, stating, that they can now rest from their fruitless labor, which they may have performed all their lives, but which could not bring them salvation. But, the deeds of their labor will follow them into the Kingdom of God, where they will be able to assist many of the resurrected ones, who are in need of accurate knowledge and understanding; gaining clear comprehension of the deep things of God.

The Dead Have Indeed Died In The Likeness Of Jesus Christ's Death

Therefore, in conclusion, the dead ones, who had no basis of surviving the great day of God the Almighty, are

now in receipt of this blessing. In the last moments of this old system of things, the dead have indeed died in the Lord, or in the likeness of Christ Jesus death, and they have come alive with reference to the Spirit, the Spirit of which is from God and that Spirit was also in Christ Jesus, our Lord and King.

Finally, God Views The Blessed Ones As Being Clean

God views all these blessed ones as clean, and they receive from God righteousness, undeserved kindness and everlasting life. They are born again, and thereby, they have become fit to go alive through the day of God's Judgment, not being judged at all, because they have been declared righteous by the Father, God, on the basis of their faith and they are happy and they are at peace.

Now, All The Righteous Ones Are Gathered Together For Salvation

And the Holy ones rejoice, because of the great love of God, which God has for all those who obey Him. Now all the righteous ones are gathered together for salvation and they rejoice together in the prospect of everlasting life, as children of God, and to God's eternal praise and

glory, forever and ever, amen.

Some Of The Dead Ones Can Now Received An Assignment As Foundation Stones On Earth

Some of these, who were dead, can now be considered to receiving an assignment in the Kingdom of God, with Christ as King, and thereby, they have the prospect to become fleshly foundation stones of the new earth society, to assist the King, Jesus Christ, to bring resurrected mankind to perfection in the way of righteousness and peace. This is a great privilege indeed for those dead ones of Revelation Chapter 14:13. Together, with the Holy ones, they will rejoice and be overjoyed to enter into the Kingdom of God, with the prospect of never to die.

Together These Blessed Ones Will Support The Christ And The 144000 Kings And Priests

Together, they will be eligible to teach the resurrected and to assist the Christ and the 144000 associated Kings and Priest who were bought from the earth as first fruits to God; bringing resurrected mankind to perfection and

helping them to stand approved before God, having life in abundance and having the prospect to be living into all eternity, even forever.

At The End, Jesus Will Hand Over The Kingdom To God

At the end of the 1000year rule, when Jesus will have brought death to its native nothingness, he will hand over the Kingdom to the Father, so that all things may be all things to God, and this to God's praise and glory, forever and ever, amen.

However, the final meaning of what has been prophesied will be revealed at that particular time and the final outcome will be indeed a blessing for those dead, when they come alive in Christ and this to God's praise and glory for all eternity and even forever.

ONE POWER CONSCIOUSNESS — THE DAWN

Chapter 4

Mayhem and Discontent

Humanity On The Move

Humanity is on the move and their destiny is fear and anxiety, sickness and death. A strong statement indeed, however, we would be in denial of what is true, if we would paint a picture of peace and security. Here we want to consider the reality on the ground. We are facing the turbulent and foaming elements of the agitated sea of mankind, as they are taking steps to imprint their seal of stability on a worsening global situation. This world, which we have created, is based on a lack mentality, and therefore, whatever is accomplished, by means of the so-called good, or bad, is rooted in ignorance.

We Are Facing A Religious Crisis

We find ourselves coming through a serious global financial crisis, and after that, we are facing a humanitarian crisis, as well as a religious one. We are interconnected by education, the Internet, the food industry, the clothing industry by the way we govern ourselves. We see people from Middle Eastern and from African nations making their way to Europe in search of a better life. We also see that these people bring with them their culture and their religions, which will lead to disharmony, of the way of life, in their host Country. There are many who voice their concern and we would

do well to pay attention to the problems, which we have created for ourselves.

To Have Unity Among Nations We Need To Have Unity of Thought

We have to remember that there is nothing new under the sun and if we think that we can create the good life for ourselves, and thereafter, extend this good life throughout the whole world, then it is time to think again. To have unity among the nations we need to have unity of thought. It will be impossible to strive for a united humanity without understanding spirit. If all of us are from the same source, which is from God, then, the spirit, within, must also be from God. That spirit must be in harmony with Universal Mind, or God. Here it will be a good thing to consider a universal truism, which means that spirit, which is from Universal Mind, or God, cannot exist divided, because, all spirit is One Spirit with God's Spirit.

If We Are To Be United By Spirit, We Need To Change Our Belief System

If we are to be united by spirit, the Spirit of which is God's Spirit, then our belief system must be in harmony with Universal Mind, or God. Here we are facing a serious barrier to unity among the differing population groups. There are over 2000 differing Christian religious teachings in addition to the other mainstream religious teachings such as Muslim, Shinto, Buddhist and Jewish teachings. How can we ever be united, as one, when there is such division in belief among the population groups? Do we not know that our belief system is consciousness to us, and consciousness drives the man? That is why, we have not and we will not achieve unity between the population groups. Where there is division of consciousness, there can be no unity of thought.

The Politicians Selling The Nations Into Ignorance

What the politicians are doing is misusing their power, acting in ignorance, and thereby, selling the nations into inevitable mayhem and anarchy. Is this too strong a statement to make? Not at all, this is a statement that will always play out according to the power, within. That power, within, is driven by the consciousness of man, according to man's belief system, his paradigm. A divided belief system is the ultimate receipt for conflict. That is also the reason, why, the greatest book, the Bible, indicated in prophetic terms, what will shortly take place,

at the time of what is called the conclusion of this system of things.

Daniel Is Inviting Us To Look Into The Things That Must Shortly Take Place

It is in the biblical account in the Bible book of Daniel, where we are invited to look into the things that must shortly take place, in order, to bring about change. These changes are in connection with the incoming Kingdom of God, with Christ as King, ruling over resurrected mankind. Let us explore the account, which is found in the book of Daniel Chapter 2:29 to 2:49. There, King Nebuchadnezzar of Babylon had a dream, which had to be revealed and its interpretation had to be given to the King. Daniel, a Jewish captive in Babylon, had been taken to Babylon and he was counted among the wise men of Babylon, who were serving King Nebuchadnezzar in an advisory capacity. However, none of the wise men in Babylon could comply with the Kings request, for revealing the Kings dream and giving its interpretations. Only Daniel could do so, and after prayerful consideration of the Kings request, he was able to receive the dream and its interpretation from the source of all wisdom and power, which is God the Almighty.

The Dream Image Is Being Revealed

Daniel goes on to relate, that the dream was about an immense image constructed of varying metals. The head was of pure gold, the breastplate was of silver, the torso or the belly was of copper and the legs and the hips were constructed of iron. Then Daniel explains that the feet and the toes of the immense image were constructed of iron mixed with molded clay. Then Daniel related to the King that iron and clay do not mix, and therefore, this part of the image was identified as the weakest part of the immense image. The King was impressed with Daniel's explanation?

Thereafter, Daniel gave meaning to the various metals. Daniel said: the head of gold stands for Nebuchadnezzar and his Kingship, that ruler ship was to be followed by a weaker ruler ship, which was identified with that of silver, which was to succeed the kingdom of the Babylonian that was to follow after King Nebuchadnezzar's reign. The belly of copper was based on a weaker metal than the preceding breastplate of silver. The copper stood for the next succeeding world power that would follow. Finally, Daniel's interpretation is synomimous to the legs of the image, which was constructed of iron. The legs of the image would prove to be the strongest part. However, the feet and the toes

of this immense image are identified as being the weakest part of the image. These feet and the toes, which were supporting this immense image, were constructed of Iron and molded clay. That would prove to be the part that would precipitate the collapse and pulverization of the entire dream image of Nebuchadnezzar.

The Stone Cut Out Of The Mountain Is Gods Kingdom

Finally, the explanation concluded in the explanation from Daniel, saying: That a stone was cut out of the mountain. Here the mountain stands for God's Universal Sovereignty. Daniel goes on to relate, that the stone was taken from the Mountain, was not cut out by hand, and that the stone was hurled toward the image of gold, silver, copper, iron and struck the feet of molded clay and iron. The stone struck the image at its feet and the entire image was destroyed and pulverized; and the dust of it was blown away and no trace of this immense image was to be found. As a reward for his interpretation Daniel was made second ruler, to Nebuchadnezzar, and he ruled in the kingdom until the final conquest by the Medes and the Persians.

The Dream Image Has Its Outworking's In Human Rule

What can we learn from this dream? This dream has its parallel in the outworking of human rule on earth until the end. This is of great importance to all of us, who are living today. This is so, because we are living at the time of the end of this system of things and that would mean that we are living at the time of the proverbial feet and toes of that immense dream image. That immense image is becoming manifest in this time of the end, where we see humanity displaying the strength and the weakness as prefigured by the iron and the molded clay. The strength of the Roman Empire was indicative of the legs of iron, of the dream image, before it was succeeded by the last world power of Bible prophesy, which is the Anglo American world power. This Anglo American World power, the last of the succeeding world powers of Bible prophesy, has its weakness in mixing the iron-hard elements of the Roman Empire with the weak, clay-like elements, prefigured by the feet and the toes of the immense dream image. These clay-like elements are the proletarian elements of mankind, which are manifest today in the Anglo American World Power including the remaining human ruler ships. This is a great weakness indeed.

The Stone Will Crush And Pulverize The Dream Image

This is the time when we're going to see, a stone, cut

from the mountain of God's sovereignty, not by hands, and being hurled to the weakest part of that immense image, which are the feet and the toes, made from molded clay and iron. These clay like proletarians, which are seen everywhere in this world of today, these are the weak part, which will cause the catastrophic collapse and destruction of the global structure of human rule. The stone that was cut out from the mountain of God's sovereignty is none other than the Kingdom of God, with Christ as King, which will be hurled toward the weakest part of modern day human rule. This is the proverbial stone that is thrown, by God, or by Universal Mind, toward the feet of this support structure of this system of human rule and it will destroy the entire structure of man-made rule. The governments that are now, including the Angle American World Power, will collectively, with all other man made governments be destroyed and a trace of its rule will never be found.

This System We Have Come To Know Is On its Way Out

Therefore, there is no doubt that we are living in the last days of a global system that is on its way out. This system, as we have come to know, is to be replaced with a new system of governance, which is the Kingdom of God. What we see, playing out before our very eyes is nothing more than mans display of weakness, which is

manifest by the masses of semi-educated humanity. The mass migration, which is being viewed by many, with concern, is part of the weakness in human society that must lead to the inevitable collapse and destruction of man-made rule. None of the present day governmental organization will be able to survive.

We Do Well To Take Note Of This Time Of Great Importance

What are we to say, are we, at this time going to see these events unfolding before our very eyes? Indeed, this is the time of great importance, and we do well to pay attention to this time and season of global discontent. We need to have the faith that can preserve alive its owner. The "One Power Consciousness" books are the faith builders we all need in order to stand firm on the side of the incoming power, which is God's Kingdom. This Kingdom has as its king, Jesus Christ, a mighty Spirit person, to rule over the earth of surviving and resurrected mankind, to bring man to perfection with an abundance of peace, poise, love and goodwill.

The Anglo American World Power Will Rule Until Its Destruction By Gods Kingdom

What can we expect, as we continue to pay attention to God's Word, the Bible? We need to understand that the Anglo American World Power holds sway on the world scene until its destruction by God's Kingdom. There will be no other human ruler ship or human organization that will take the place of the Anglo American world power. However, there is another world power, that, according to the written Word of God, sprang from the Anglo American World Power and that is identified to us as being the eighth king of Bible prophecy. This eighth King is identified as the United Nation Organization, which plays the role of an eighth King, but not with the power of a king. The United Nation Organization has its origin from the seventh King of Bible prophecy, which is the Anglo America World Power. The United Nation Organization is also identified as the image of the Wild Beast, of Revelation, who is also described as the scarlet colored Wild Beast that sprang from the seventh World Power, which is the Anglo American world power.

Collectively We Move Toward The Destruction Of Human Rule

According to the written Word, of God, the Bible, the nations of the world are moving ever closer to the foretold times of trouble, as we collectively move toward the event of final destruction of human rule. The human proletariat, will, no doubt, play an important part in the

decline and corruption of human rule. What we see, manifesting before our very eyes is the mingling and mixing of all sorts of differing religious persuasions in the structures of human rule. However, this may not bode well for the governments who are in control.

The Proletariat, The Clay Like Elements Of the Earth, is The Weak Link

We need to remember that the proletariat, in Daniels prophecy, is the weak link in the iron hard elements of human rule, which was inherited from the iron hard Roman World power. That weak link has become manifest at the time of the end, as shown by the dream image of Daniels prophecy. The feet and toes are made of iron and molded clay, a fragile mixture of metal and clay, that does not stick together, it will not survive the impact of that proverbial stone that was cut out of the mountain of God's Sovereignty.

Religious Elements Of Society Will Become A Heavy Burden

In the near future we will find that human rule will be put under severe pressure by the proletariat and the religious element of society will become a heavy burden,

an unbearable load, for the governments to carry. Continued functioning of human society, for the benefit of all, will become impossible. Mayhem and anarchy will be the power of the proletariat and that will make human rule very difficult, indeed. Under the leadership of the United Nations Organization, which is the eighth King of Bible prophecy, the religious harlot of Revelation is revealed. According to the record of Bible prophesy, this harlot, who is riding the seven-headed wild beast of the book of Revelation Chapter 13, is about to be destroyed.

The Image Of The Wild Beast Is Representative Of All The Seven World Powers

The wild beast is the combine of all the elements of the seventh world powers of Bible history, as seen in the reign of the present Anglo American World Power. In graphic detail, the Bible describes the Harlot sitting on a seven-headed beast and she is apparently drunk with the wine of her fornication. Now is not the time to explore the works of this Harlot, but what is certain is the fact that the time of her riding the Wild Beast, is about to come to a sudden end.

The Harlot, Riding The Wild

Beast, Is The Combine Of All Religions On Earth

Who is this great harlot that is riding the seven headed political Wild Beast? Well, the harlot cannot be the political elements of this world, because the Wild Beast is the political representation of all the preceding world powers. Can the harlot be a representation of the commercial elements of this world? Not that either, because, the business leaders who became rich, due to the abundance of her wealth, wail over her sudden destruction. Therefore, the harlot must be a religious structure, or entity that has committed spiritual fornication with the Kings of the earth, from time immemorial. Indeed, this is her identity, because religion has been the prominent part of all her riches and wealth throughout human history, until now. She is indeed guilty of religious fornications, with the Kings of the earth, and God has called her injustices to mind and has resolved to destroy her first, using the political elements of the earth, which she has controlled for such a long time.

The Demise Of The Harlot, Riding
The Wild Beast, Will Be Sudden,
Within One Hour, so To Speak

The particular details of her shameful conduct will not be discussed in these writings. However, the record in the Bible indicates that her demise will be sudden, as within one prophetic hour. Real problems will come upon this religious harlot and she will be completely destroyed. The Wild Beast, of Revelation, will eat up her fleshy parts and completely burn her with fire. This is an indication that her fall will be sudden and humanity as a whole will be in shock. When the political elements proceed with the attack on the religious harlot, people of faith will find that they have been vindicated. During this time of great trouble, the people of true faith will enjoy the protection of Universal Mind, or God, as they expect to go through this time of trouble unscathed and happy. They will take the place of observers; they will not partake in the destruction of this religious pillar of support.

We Do Not Want To Create Fear In The Hearts And Minds Of People

We are now very close to this great event. Here, we want to be reasonable in our assessment of the situation. We do not want to create fear in the minds and hearts of people of true faith. Fear is a destructive emotion, which is rooted in the belief of two powers, which is God and evil. Such fear has no place in the thoughts and actions of true Christians. To the contrary, we believe that

God's Word, the Bible, and the "One Power Consciousness" books have proven to be an excellent faith builder. People who have enjoyed reading these books and articles are in a good place, to finally display the faith that can preserve alive its owner.

The Time Is Now To Straighten One's Back By True Faith

Indeed, the writings of these books are a source of enlightenment and knowledge that has the power to transform lives. The time is now, to straighten ones back and take hold on that life giving faith. It is at this time period that we may require to show this kind of faith and stand firm to see the changes coming upon the inhabited earth. The governments, will, under the leadership of the Anglo American World Power, and with the help of the united Nation Organization, come up with outrageous plans to gain control over the national groups. The situation, on the ground, demands from every Christian to keep the laws of God and the faith of Jesus. As humanity enters the time of the Great Tribulation, which is sure to come, there will be mayhem and anarchy, everywhere. However, true Christians have no share in this carnage, they are at peace.

Power Will Be No Safeguard

During The Time Of Great Trouble

Possession of power, on the part of those in high station of life, will be no safeguard during this time of trouble. What we need is a clearly defined understanding of destiny. We need to have abundance of peace and poise with love and goodwill in order to see us through the great time of trouble. This peace and poise will be ours if we have the faith that we belong to the King of Kings, Jesus Christ. This means, that we must have changed consciousness, changed from a consciousness of lack and limitation and a belief in two powers, of God and evil, to a belief in One Power, of God and good. This power of God and good comes to us on the basis of faith, which manifest as changed consciousness, leading to super abundance of all that is good and to obtain Life Consciousness by means of the Spirit of the Christ, within.

Now Is The Time Of Unwavering Faith

Previous books of the "One Power Consciousness" series have prepared you well to find yourself in the right spiritual place of safety and security. Now is not the time to ask the questions, where am I to be going and where will I find myself to be? Now is the time of unwavering faith. Let us rejoice and be overjoyed in our

understanding that we have the faith that can reserve alive its owner. Truth can only be reliable if it comes to us by means of Spirit, because Spirit is truth, everything else is forever changing.

Be Conscious Of Your Salvation

At the time of the great tribulation, we want to be ready to have peace; ready to enter into the inner chamber of our faith structure and be conscious of our salvation, which will be at the hand of Universal Mind, or God, and Jesus Christ. There is no salvation by means of the political Wild Beast, which is the Anglo American World Power. We want to be reminded that the greatest book ever written, the Bible, in the book of Revelation states that the Anglo American World Power is in fact a false prophet. It will mislead nations and the whole world of mankind. However, Christians are full of faith, they have the Spirit of the Christ, within, they will not be deceived.

By Reading The Bible You Will Become Persons Of Strong Faith

We want to remember that these writings are not designed to instill a morbid fear into the heart and mind of true Christians. In fact, by the reading of these books, published by the 'Thought Revolution Publishers' under the subject heading of "One Power Consciousness", you

are certain that you will become persons of strong faith. You are to have changed consciousness, from a consciousness of lack, and limitation, with a belief in two powers, of God and evil, to a belief in One Power, which is God and good, with a consciousness of super abundance of good.

ONE POWER CONSCIOUSNESS — THE DAWN

Chapter 5

The Wild Beast

Be Prepared For Necessary Changes That Must Take Place

We are living at a time of great importance and a time of lasting change. The turbulent sea of humanity is foaming up anger and individuals are concerned of what may yet lie ahead in the near future. We need to understand that these writings are for our upliftment, to prepare you for the necessary changes that must come upon us all. Now is not the time to debate the pros and the cons of the purpose of man's existence, or enter into a debate on the evolution theory. Now is the time for sober contemplation of all the facts, leading to the time of trouble, with the possibility of our survival, which is now so close at hand?

The Stone Of Nebuchadnezzar's Dream Image Is The Kingdom Of God

We have learned, from the prophesy of Daniel, in Daniel Chapter 2, and its fulfillment in our time. We have considered the stone that was cut out of the mountain of God's Sovereignty, not by hands, and that stone will be hurled toward the immense dream image of Nebuchadnezzar's dream and it will crush this image. Thereafter, that stone will grow and fill the whole earth.

Indeed, this stone is none other than the Kingdom of God, that was promised to come and we are witnessing its debut. That Kingdom has been growing over the last 2000 years and it is ready to play its part, shortly.

The Stone, God's Kingdom, Will Grow To Fill The Entire Earth

That Kingdom, with Christ as King, will grow, after the destruction of the immense political image of Daniels prophesy, it will grow into a global kingdom, which is of the makings of Universal Mind, or God, and that of His Christ. You are invited to be a part of this Kingdom of God and enjoy peace, poise, love and goodwill, now and even forever. Therefore, you need to have the knowledge, the understanding and the faith that can preserve alive its owner.

The Anglo American World Power Being Destroyed By The Kingdom Of God

We have learned that the last world power, according to Bible prophecy and chronology, is the Anglo American world power. This world power is going to be destroyed by the Kingdom of God, with Christ as King. These are big events and in order for us to be prepared to face

these events, with confidence, we need strong and unwavering faith. We have to change consciousness, because, changed consciousness is changed belief, and belief, which is backed up by Spirit, is truth. These articles are produced by the ‘Thought Revolution Publishers’ delivering the necessary mental tools we need to prepare us for a happy future of peace, poise, love and goodwill, with health, wealth and everlasting life.

For People Of Faith There Is Only The Now

We are progressing along the path of revealed prophecy and that makes us happy. We know that we are living in the now, and for people of faith, there is only the now that counts. The future is ours for the taking it is not to be subject to any of our worries, at this time. What we need to understand, more fully, is what the role of the Wild Beast of Revelation is meant to be? We want to know what we can expect and how we may be able to safeguard ourselves, and our loved ones, from harm, from the things that must take place in the not so distant future.

Fear Underwrites A Belief In Lack And Limitations

Therefore, now is not the time to fear the things that must take place. Fear is a negative emotion and underwrites a lack of faith. In fact, we can state, with a measure of certainty that fear is faith turned upside down; it is inverted faith. Fear will always bring the product of fear to its owner. The more we fear the more we have to fear, and thereby, we become the sole responsible person that will be subject to such fear. Fear has no place in the heart and mind of the man of faith. Fear is death dealing, but faith is life giving.

Should We Survive To See The End, Then We Will Become Subject To The Kingdom Of God

The manifestation of the Wild Beast of Revelation is reserved for the end game. If the end is far away, as some may suggest, then there will be little or no interest in its activities, it might not affect us. This is so, because human existence is limited to a relatively short life span. Should we die, before that great event comes upon the inhabited earth, then we will become subject to the resurrection as a righteous or an unrighteous one?

The Resurrection Of The Righteous And The Unrighteous Is A Fact

The resurrection of the righteous and the unrighteous is a fact. There is no purpose for the ransom sacrifice, of the righteous life of Jesus Christ and the coming of the promised Kingdom of God, if there is no resurrection. All of mankind, from the very beginning until now, has been subjected to sin and death, which has been inherited from our forefather, Adam. Humanity, collectively, is a victim of the inherited sin of Adam and Eve, and as such, we are all subject to the mercy and undeserved kindness of Universal Mind, or God. Love of God is manifest in the righteous seed, manifesting in the life of Jesus Christ, for the benefit of the resurrection of the righteous and the unrighteous.

The Righteous And The Unrighteous Will Be In Need Healing

Righteous persons, who are declared righteous by God, are those who have lived a life of God directed righteousness, which is a life of faith and then they died. These will have a resurrection as righteous ones into the Kingdom of God, with Christ as King. Some of these righteous ones will be selected by God, to make up the bride of Christ, which number a total of 144000. The unrighteous are those who have not come to be known by God, due to circumstances beyond their control, these also died and they are subject to the mercy of God,

because, they have paid for their sins by their death. They will be resurrected in the last days. Both the righteous and the unrighteous will be in need of the healing and restoration power of Christ's Kingdom rule, they need to be brought to physical, spiritual and moral perfection as humans living upon a restored and paradisiac earth, which is also called the footstool of God.

Persons Living Now Will Go Through The Cataclysmic Event

However, there will be persons who will be living at the time of the cataclysmic events, which will be coming upon the inhabited earth. There will be some persons who are alive when these events come about. It may be you, or it may be I, and for us there will be given the possibility to enter into the Kingdom of God without the need to die. This means that persons now living may never die at all. This is so, because we have the opportunity to enter into the Kingdom of God on the basis of true faith. Here we come to understand that our faith must be able to preserve alive its owner. This is possible, through scriptural baptism, where we change consciousness, from a consciousness of lack and limitation, to a consciousness of super abundance of good. By partaking of the bread and the wine at the time of the memorial of Christ's death, we will be given Life

Consciousness, being conscious of having Life within.

This Is The End Game Of Life

Having established the necessary requirements for survival into the promised Kingdom of God, we need here to consider what comes next, as the drama of the time of the end, unfolds. The great tribulation that will come upon mankind is the troublesome time of the end game. The Wild Beast, of Revelation, has been identified as being the seventh world Power of Bible history. It is also identified to be the false prophet that will mislead all the nations of the world. We have also learned that by means of the seventh world power, the so-called eighth King, makes its debut.

There Is Also An Eights King Without A Kingdom

The eighth King has no Kingdom of its own, over which to rule, and therefore, it receives all its power from all the Kings of the earth. They give the eights king power for a short period of time. That time of ruler ship of the eights king is short lived, such as for a proverbial, prophetic one hour, which will coincide with the beginning of the great tribulation, and thereafter, that eighth reign comes to an end. The sole purpose of the eighth King is to receive its power, for a very short time,

98

when all the governments and kingdoms of the earth will give the eighth king their power to rule for one proverbial hour. During that short period of time Babylon the Great is being destroyed.

The Seventh King Together With Eighth King Will Bring About The Great Tribulation

The seventh King, of Bible history, is the Anglo American World Power, together with the eighth King, which is the United Nation Organization; they will be instrumental in bringing about the Great tribulation. Together, these two Kings will bring about the demise of the religious harlot, which is sitting on the wild beast and controlling its activities. The problems of the nations will grow exponentially, to the point of realization that mankind can no longer be supported by the three pillars who are in support of man made rule, on earth. These three Pillars are the pillars of the political, the Commercial and the religious pillars of support. These pillars of governmental support have been supporting human rule from the beginning, until now.

The Religious Pillar Of Support Will Be Destroyed By The United

Nation Organization

With the help of the United Nation Organization, the religious pillar of support is to be done away with. The difficulties and the pain on the ground will prove to be so severe that control of humanity can no longer be assured with the operation of thousands of disunited religious organizations. Religion has become an intolerable force in opposition to successful human rule. This difficulty will lead to the combined action of all the governments on earth, in order to destroy all of the religious structures of the earth. This will be a global event of catastrophic proportions, and it comes about, because God, the Almighty, will put it into the hearts of the kings of the earth, to hate the Harlot, and to destroy it.

In Order To Retain Power, Both The Seventh And The Eights King Will Bring About Great Violence

The seventh King, which is the Anglo American World Power and the eighth King, which is the United Nation Organization, desire to retain power and that will lead to unprecedented levels of violence in human society with unimaginable mayhem and anarchy. This will take place during a short period of time and the end result will be a calm that will allow the nations to reorganize a society

with a different future in mind. That future ruler ship no longer has the support of three pillars of human rule, but only two pillars are available to provide stability in human affairs. This will be a very unstable and uncertain alliance between the political and the commercial pillar of support. Therefore, the political Beast will come up with outrageous plans to control mankind.

Now Is The Time To Take Action In Support Of The Kingdom Of God

Now is the time to take courageous action in support of the incoming Kingdom of God, with Jesus Christ as King. We have the need to think deeply about what is coming upon the inhabited earth. We have to meditate about the possible consequences of failure to act upon revealed truth. The changes we have considered, so far, are necessary in order to bring about a human society that is in compliance with universal principles and laws that is in harmony with Universal Mind, or God. However, this is not the kind of society the rulers of this world have in mind. They desire to rule with absolute power under a human leadership, which is in opposition to God's incoming Kingdom. The worship, by humanity as a whole, of the political wild beast is being considered as the only solution to mankind's problems.

The Wild Beast And The United

Nation Organization Have No Spiritual Understanding

Here, we must not underestimate the power of the Wild Beast and the power of the United Nation Organization, which is the eighth king of Bible history. They have no spiritual understanding of the deep things of God. They have their eyes fixed on the physical realities of human life; they have only one desire and that is to make human rule work for the benefit of the establishment. They do not believe in Universal Mind, or God, as the only justifiable universal power. They only believe in two powers, which are the powers of good and the power of bad. The power of God has been removed from their consciousness, by the destruction of all religious institutions.

Insight, Knowledge, Faith And Understanding Are Essential For Human Survival

We understand that insight, knowledge and understanding are the prerequisites for human survival. We have the need to be set free from the bondage of lack and limitations, in human affairs, and therefore, we need to understand that we are from Universal Mind, we are from God, we are from Infinite Spirit, and we need

to change consciousness, if we want to have a share in the outworking of God's purposes.

Without Having The Spirit Within, We Will Not Be Able To Survive

Without changed consciousness, or a change of belief, which is based on the Spirit, within, we will not be able to survive the cataclysmic events coming upon the inhabited earth. We have the need to become conscious of being a new creation, being born of water and Spirit, and thereby, become conscious of one power, which is the power of God and good. We have to learn to have godlike thoughts and to understand why humanity, as we see it today, is unfit for purpose. Therefore, we have to change. Read this book often, and then you will be able to grow new brain cells with which to understand the things written about in this book.

Apply Yourself To The Changes At Hand And Become A New Creation

Blessed are the dead who die in the Lord at this time. You, the reader, are to be blessed, the one with insight, knowledge, wisdom and understanding of the deep things of God, as you apply yourself to the changes at

hand. You are encouraged to become a new creation, born of water and Spirit, according to God's will and purposes. You are invited to have an abundance of peace, poise, with love and goodwill, and thereby, you will be able to dissolve all negative thought vibrations.

ONE POWER CONSCIOUSNESS — THE DAWN

Notes:

Chapter 6

Religion Is No More

To Man His Way Does Not Belong

We are entering the end Game of this system of things; this is the game of life that brings to you success, happiness, love and eternal life. We have come to understand that the human drama plays out according to the way of Universal Mind, or God. We have seen that to man his way does not belong. Now, the nations have experienced the destruction of the entire religious system. What we have learned is that the gods of this world have proven to be powerless to prevent the destruction and devastation of all religions and their institutions.

The Rule Of two Powers, Good And Bad, Must End

This is the end game of this system of things, made up of the governments of this world and the masses of humanity. This system of things shall be made up of the remaining two pillars in support of human rule. Are we to conclude that this event can be avoided; most certainly not. What must take place is the removal of humanity as represented by the remaining two pillars in support of human rule. The rule of two powers, of good and bad, or God and evil is coming to an end. What shall remain is the one power consciousness of man. Man has to know that there is only one power, and that

power is God and good. The power of evil can only exist in the consciousness of fallen man.

Bad Is Nothing More Than An Illusion

With Universal Mind there is only good. Bad is nothing more than an illusion. Persons that support the concept of bad, in their life, within their belief, which is their consciousness, will not survive. They have given evidence throughout mans existence, until now, that their way is a belief in two powers, of God and evil, or of good and bad. They have proven, to themselves that they are unfit for purpose and as a result of this, they cannot enter into the Kingdom of God, with Christ as King.

Universal Mind Operates On The Plane Of The Absolute

We have created a society that reasons on everything; they are lacking in faith. Their trust is in this system, which is based on a lack mentality, they believe only in scientific evidence, however, with Universal Mind there is only success. This must be so, because Universal Mind operates on the Plane of the Absolute, which is the spiritual plane, the God Plane of existence. What people

of the nations have not realized is the fact that we are from Universal Mind, that we are from God, made in his image and likeness, and as such, we are to operate and enter into the same value system as that of Universal Mind, or God. The Kingdom of God with Christ as King represents this value system.

*Do Not Resist Bad, It's An Illusion
It Will Fall By It's Own Weight*

We have progressed to the point of no return, as to badness. The Law of Non Resistance teaches us that we are not to resist bad, because bad is an illusion it is nothing in respect to Universal Mind, or God, bad will fall away by its own weight. Mankind has reached saturation point as to badness, and therefore, there is no longer any support for a system, which is based on lack and limitation. Badness has reached saturation point before the destruction of all religions. For that reason, the ruling authorities no longer rule with the permission of God. The religious harlot, of Revelation, is gone forever, it can never raise its ugly head again.

*Human Rule On The Basis Of Two
Powers Must Be Replaced With
Something Better*

Universal Mind has something better that can be used to replace man rule, which is based on two powers, which are good and bad. That better system of rule comes to us by means of the Kingdom of God, with Jesus Christ as King. That leaves the remaining world power, which is in opposition to God's Kingdom, and as such, it has survived the global upheaval and it is about to be destroyed by the King of Kings, Jesus Christ. The proverbial Wild Beast, of Revelation, must give way to the incoming Kingdom of God.

The Confrontation Between The Worldly Powers And God Will Be By One Power, God And Good

There is a direct confrontation that is to come, which is between the Anglo American World Power and the Kingdom of God, which is backed up by 'One Power', the power of God and good. The opposing human powers are based on an illusion of bad. To a man of faith there should be no question as to ones loyalty and allegiance. However, the faith that can preserve alive its owner is a faith that is rooted in a firm belief in the King of Kings, it cannot be corrupted by the remaining corrupted human powers.

Faith That Moves To Righteous

Action Has Its Power From God

The faith that moves to righteous actions is the faith that has its power from God, and that power is by means of the Law of Compensation. Previously published "One Power Consciousness" books have provided detailed information, which will lead to the faith that can preserve alive, its owner. That is the kind of faith we need in order to make our stand against the machinations of this dying system of things.

The Stabilizing Element Of Religion In Human Rule, Is No More

Under the influence of the United Nation Organization, decimated humanity needs reorganization. Since the destruction of all religions, there is no longer this so called stabilizing element to be found, in the arrangement of human rule. Something else has to replace that stabilizing influence, which was lost. Human rule stands supreme, and needs to be kept standing and functioning in the eyes of the human masters. The prophetic word of God indicates that under the dictate of the scarlet colored image of the Wild Beast, of the Bible book of Revelation chapter 13, which is identified as the United Nation Organization; a unifying mark needs to

be introduced to provide urgently needed global stability. In the Greatest Book ever written, the Bible, mankind is pictured as receiving the mark of the Wild Beast, which is in support of the UN inspired system of control. They are destined to receive the mark of the Beast, which is 666, and that is the number of its name, upon their right hand, or on their forehead.

The Mark Of The Beast Is Meant To Be A Unifying Mark In Humanity

This marking, of humanity, is of paramount importance in controlling the remaining masses of humanity and giving all a unifying identity, which is called the mark of the Wild Beast. Anyone, not in possession of this identifying mark will not be able to buy or sell anything. This seems to be a life or death situation for all of humanity. We will know the final details as we enter the final stage of this unfolding human drama.

Many Christians Will Yield To The Dictate Of The Wild Beast

What is important, is the fact that there are indicators that show that many, who professes to be Christians, will, under pressure of the given situation, yield to the

dictate of the Wild Beast and accept the mark on their hand or on their forehead. This mark will identify such persons as no longer belonging to the Kingdom of God, with Jesus Christ, as King; rather they belong to the 'Wild Beast' and its organizations. These are the ones that have the prospect to be forcefully removed from the earth, by God's Kingdom, being declared as being unfit for purpose.

All Who Comply With Seventh And The Eights King Belong To The Wild Beast

All those who comply with the seventh King, the Anglo American World Power and the eighth king, the United Nation Organization, are identified to be part of the image of the Wild Beast. These are the ones that continue to believe in two powers, of good and bad. Therefore, they will continue to create bad and they will make their final stand against the arrangement of Universal Mind, or God. Anyone that has not received the mark of the Wild Beast will be subject to the fury of the King of the east, or the king of the rising sun, which is considered to be China.

There Will Come To Be A Final Push To Eliminate The Holy Ones

When that event occurs, there may be a final push to eliminate the Holy ones, who oppose the established Beast order. That will prove to be the final aggression against the Kingdom of God, which will amount to touching the proverbial 'apple of God's eye'. That action, on the part of God's enemies, will precipitate the final destruction of all the enemies of God's Kingdom on earth.

Make Sure You Are Among The Blessed Ones Of God

Now is the time for sober contemplation of all the factors leading to this inevitable demise, which must include the removal of all traces of the present system of human rule? This is called the 'Day of Armageddon', the war of God the almighty. We want to make sure that we are indeed among the blessed ones, who have the insight and the knowledge of the deep things of God. As such, we want to use the time remaining to our best advantage and study the content of the Bible and acquire the faith that can preserve alive its owner.

There Will Be The Ones, At The Final Time, Who May Never Die At All

For those, who are on God's side of the issue, these are the ones who will inherit the Kingdom of God. These are the privileged ones of mankind, who may never die at all. They will become subject to God rule, under the direct rule of Jesus Christ, our King, and then, the healing of the nations will begin, starting with the survivors, who have lived through this dying system of things. These are the ones who have received of God's Spirit, the Spirit of which was also in Jesus Christ. They are, in fact, the offspring of the Last Adam and the progeny of the Christ. They have the privilege to become human foundation stones that will be laid, by Jesus Christ, as a foundation of a new and righteous human society into all eternity.

Acquire The Faith That Can Preserve Alive Its Owner

Let us use the time remaining to our advantage, and acquire the faith that can preserve alive its owner and rejoice to time indefinite, even forever. These writings are simple words designed to give understanding to the man of ordinary means, in order that you, the one with little faith, may be among those who can look forward to enter into the Kingdom of God's making, on the basis of being born of water and Spirit; being a new creation, indeed. Blessed are the dead who die in the Lord, from now on.

Chapter 7

Concluding
Thought

A Reflection

Never before has mankind faced such a crisis as this. According to the scriptures, we are expected to die in the Lord, in order to be among the blessed of God. We are at the dawn of a new era of man's existence and all we are concerned about is how to avoid the possibility of a Third World War. This, of it-self, seem to indicate to all of us that if such a grave event is left to mankind to avoid then we are indeed in deep trouble. Why can we say this with confidence? The Law of Consequences requires for every action there must be a reaction, or for every cause there must be an effect. We can also express ourselves in another way, and that is, whatever we think about this we will also bring about. Whatsoever we fear, we will bring about the things feared. That means that by our fear of a Third World War, we will put into place thought forces that must bring about the things feared.

What We Have Seen In This World Is Total Corruption Of The Rulers

This is a frightening scenario we have to face. The most frightening aspect of this scenario is our system of rule, whereby, we have elected so called leaders, imperfect leaders, indeed, that have at their modus operandi to look after themselves, first. This means that these rulers cannot be trusted with anything that will be for the

benefit of the greater whole. What we have seen, in the world at large, is total corruption of the ruling establishment. Any effort on the part of the few, to save any country from total anarchy, is blocked by the evil forces that work in opposition to any just administration of man made rule. What are we to say, are we destined to catastrophic failure, because of the system of government we support? Indeed, there is a real possibility for mankind to destroy itself.

Many of us are asking, ‘Quo Vadis’ are we expected to destroy ourselves with no power in this world to come to our rescue. May that never happen; The Bible indicates that **faith can preserve alive its owner**.

Faith Is Nothing More Than Belief In Action

What are we her talking about? What is this faith that can preserve alive its owner? Faith is nothing more than belief in action. True faith is dynamic belief that is rooted in man consciousness. Therefore, consciousness is belief and in order to obtain this dynamic belief that is rooted in consciousness, we have to change our consciousness. This is exactly what Jesus taught, when walking the earth as a righteous man, the Son of God. Every man alive is conscious that he will die. Man is death conscious, and therefore, all of us are dying. But

Jesus was life conscious, and therefore, he was conscious that he could live forever on this very earth.

With God Cannot Be Any Negative Thought, Because God Is Holy

As a righteous man, Jesus had his thoughts on eternity, he had his thoughts on the source of everlasting life, and that was to be with His Father, God, who had no beginning and no end. With God there is not a variation of the turning of the shadows. With God, there can be no bad, because God's Mind is constantly on what is good and constructive. God cannot generate any negative, or bad thoughts, because God is Holy and holiness rejects all negativity. That is why, Jesus Christ was promised to come, in order to save mankind from certain destruction. Christ is our savior, on the basis of changed consciousness. He is the human prototype that is referred to in Isaiah 9:6 as a princely ruler, the Wonderful Counselor, Mighty God, Eternal Father, the Prince of Peace. To the abundance of his princely rule and to peace there will be no end.

We Have Seen A Worldwide Turning Away From God And

From His Christ

What we observe, on the global scene, is a turning away from the biblical teachings of God, and that of His Christ. To be called a Christian, or identify your-self as being one, is no longer a subject of desire. Add to that, the wholesale abomination that is taking place in some of the major churches of Christendom. One must come to the conclusion that true faith is in major decline. Humanity is bend on a quick fix mentality, where everything goes, and desired happiness is going after the desires of the flesh. We hear clearly the call that evil is good and good is evil. Is it any wonder that the call of the end of this system of things is on many hearts and minds? The sad thing is that few are inclined to rise to the challenges of the day. Peoples have been led in the way of error and ignorance and clear understanding of the biblical scriptures is not easy to be found.

Are You Among The Holy Ones Who Have The Need For Endurance

We are on the brink of the greatest tribulation the world has ever known. Jesus Christ spoke about the coming of this great event, however, there are not many who understand the time and the season of discontent. Who is ready to obey the admonition of the Angel of God and that of His Christ, saying: ‘the Holy ones have the need

of endurance, therefore, Keep the commandments of God and the faith of Jesus Christ'. Who are the Holy ones? These are true Christians, who have washed their robes and made them white in the blood of the Lamb. They are destined to survive the Day of Armageddon and enter into the Kingdom of God, and that of His Christ, on the basis of their Holiness.

The Prospect Of Survival Is Available To The Whole Of Mankind

We have come to understand that the prospect of survival into the Kingdom of God is available to the whole of mankind, which is on the basis of faith. The churches have not done a very good job to teach the faithful ones that belong to God, through Jesus Christ our Lord. They have failed to teach the purity of the written word of God, and instead, they have been teaching doctrines of men, as truth. Even the baptism of many, in the name of the Father, Son and Holy Spirit, is flawed, in that they baptized babies who had no understanding of the Father God, the Son of God, Jesus Christ and of the operation of God's Holy Spirit. They lived a life of ignorance, being Christians in name only.

The Faith Of Every Christian Is Going To Be Severely Tested

It is for this reason that God has permitted the political elements of this earth to attack and destroy all religious institutions, which shall take place during the great tribulation that was promised to come upon the entire inhabited earth. The faith of every Christian is going to be severely tested, as through fire. It is for that reason alone this book is written in order for some Christians to come to understand God's love and God's severity. Now is the time to make sure we are prepared for what is coming upon us all. The man, or woman, of faith will stand erect with their eyes straight ahead as seeing the one who is invisible, who is God. The person of true faith does not fear, their hearts are full of love and they have an abundance of peace, poise with love and goodwill. They know that for them there is only one power, and that is God and good. Therefore, by the abundance of good they attract an abundance of good, which is for the salvation of the righteous ones. May you be privileged to be among those who read God's Word, the Bible, daily and who have acquired the faith that can preserve alive its owner?

Now Is The Time To Awake As From A Deep Sleep And Acquire

True Faith

Now is the time to awake, as from a deep sleep; and acquire true faith. We have the need to die in the likeness of the death of the Lord, Jesus Christ, and be transformed. This transformation comes to us by being born of water and Spirit, whereby, we become a new creation that is subjected to the undeserved kindness of God, with everlasting life in view. Let us grow in understanding of the deep things of God and feast our hearts and minds on the ‘One Power Consciousness’ books, published by the ‘Thought Revolution Publishers’.

Let Us Think As Enlightened Ones Who Have The Christ, Within

No longer do we want to think in terms of two powers, of God and evil, as all the people of the world do. Rather, let us think as enlightened ones, who have the Christ, within, and who understand that every cell in their bodies are bright white light, the light of Holiness. It is then that you will be called Sons and Daughters of God, and whatsoever you desire, this you shall also obtain, and that at the time of asking, and it will manifest. You are encouraged to reach out to be Holy, as God is Holy, by walking in the consciousness of super abundance of
